

## Newmarket Pays Last Respects To Devoted Servant, J. L. Spillette

The men with whom he had worked as a municipal and county councillor, his fellow businessmen and citizens crowded Trinity United church Monday afternoon to pay a last tribute to the man who, in the words of Rev. Henry Cotton, "for years had poured out his energy for the good of this town and countryside."

Deputy-Reeve J. L. Spillette, often finance committee chairman, an onerous task. As County Home commissioner, he started into motion plans for improving and enlarging the Home at Eagle St. and Yonge, plans which were postponed pending the settlement of amalgamation issues. As warden, he was the second deputy-reeve in the county's history to hold that office.

Mr. Spillette started as a businessman in Newmarket 18 years ago. At his death, he had enlarged his business many times. His son Jack will carry on the business.

Mr. Spillette was a 32nd degree mason, a past worshipful master of the Tuscan Lodge, Newmarket. He was a member of the Rameses Temple, Toronto. Present for the funeral were many Masons from the district, including past Grand Lodge officers.

Pallbearers were Stan Marshall, Earl Toole, Burt Hughes, Wilmot Reesor, Fred Thompson and Tom Birrell. Honorary pallbearers were Mayor Jos. Vale, J.C. Oliver Crookford, Cy Allison, Jack Rye, James Law and Clive Sinclair, Q.C.

Mr. Spillette is survived by his widow, the former Muriel Allan of Toronto, two sons, Jack and Dick, and a daughter, Mrs. Elizabeth Davis, a brother, R. W. Spillette, Toronto, and two sisters, Mrs. H. R. Thompson, Barrie, and Mrs. Marian Robinson, Hamilton.

The citizens of Newmarket extend their sympathy to the family in the loss of a devoted servant of the community.

### FIRST-TIME EFFORT

## Guides, Brownies Off To Day Camp

For the first time, a camp is being held locally for the Newmarket girls in Guides and Brownies. Camp will be held at the Scout campsite, Pine Orchard, from July 14 to 20 inclusive. It is a unique venture in many ways.

Unlike most companies and packs which only take the top dozen or so girls from their ranks to camp, the Newmarket Local association is opening the camp to every girl registered with either the Newmarket Guide company or the Brownie pack. A senior and junior camp will be in operation simultaneously.

The Newmarket camp this summer will be run as a day camp with guides and brownies travelling to and from the campsite by chartered buses. All

girls will leave the bus terminal at 8.30 a.m. Brownies will leave camp at 8 p.m. arriving at the terminal by 8.30 p.m. and guides will leave camp at 9.30 returning to the bus terminal by 10 p.m. nightly. The guides will remain in camp over the week-end, July 18 to 20 inclusive to qualify for their first class badges. Brownies are not allowed to camp overnight.

At the recent mother and daughter banquets the plan was outlined for the camp by the Guide district commissioner, Mrs. Nelson Ion, and a temporary registration of 70 girls was made. Mothers of the girls will act as camp mothers during the week with some volunteering their services for one day and others remaining for the entire week. There will be approximately five camp mothers on duty daily.

The camp will be run as a regular guide-brownie camp with the girls formed in patrols. Guides and brownies will have

an opportunity to pass second and first class, gold bar and golden hand and proficiency tests. The accent will be on instruction in woodcrafts, seamstress, fire lighting, stalking and tracking, trail laying, nature study, hikes, camp gadgets, striking and pitching a tent, camp health and first aid with the senior guides and members of the Rover Scout pack acting as camp counsellors. There will be no swimming.

The program will include handicrafts, art and drama; sports, physical education and recreation and each day will be started with the flag raising ceremony and guide-brownie devotions and will close with a campfire. The girls will have a rest period following their noon meal. All guides and brownies will have their breakfast at home and will bring their lunch with them. At camp soup, crackers and milk will be provided for this noon meal. A hot dinner, a three course well-balanced meal will be served at 5 o'clock.

This weekend, letters will be mailed to all brownies and guides who registered for camp at the banquets. They will give full particulars regarding the camp and must be signed by a parent or guardian and returned to Mrs. Ion not later than Thursday, July 3.

Any brownies who will be away on holidays that week are requested to have their mothers phone Mrs. Orley Hayes, 1399, before leaving this weekend if they intend going to camp. Guides in a similar position are requested to phone Mrs. Charles Wass - 362w. Guides or brownies wanting to go to camp whose names are not on the list are to notify their leaders as soon as possible.

### DELAY PARK OPENING

The opening of the York County park on the former Eildon Hall property, east of Jackson's Point, has been delayed by legal difficulties. It was hoped that the park would be formally opened to the public by June 28. The grounds and the buildings are open now but the formal opening is delayed until July.

### USUAL HOURS

Most Newmarket businesses are closing at their usual hours on Monday, and will observe their regular half holiday on Wednesday. Tuesday is Dominion Day, a national holiday, when all businesses will be closing.

### THE 'GREAT MORTON' TO PRESENT SHOW IN NEWMARKET

The Newmarket Rotary Club is presenting the Great Morton, well-known hypnotist and memory expert who is concluding a three-week run at the Royal Alexandra in Toronto. The Great Morton will appear in the Newmarket town hall for three nights, July 3, 4 and 5.

The Great Morton's act, which has been drawing large crowds in Toronto, consists of incredible feats of memory, a display of mental arithmetic, and finally hypnotism demonstration, using members of the audience.

This is the first public event to be sponsored by the recently formed club and proceeds will be used for the club's welfare work.

### THREE V.I.A. HOMES BROKEN INTO

Three homes in the V.I.A. sub-division in Newmarket were broken into over the weekend. The homes were those of Mr. and Mrs. Ken Stiver, Mr. and Mrs. Gordon Downard and Mr. and Mrs. S. Dow. Entry was made through a window in the first two houses, and through the milk box in the third. The thief was apparently only after money since nothing else was taken. The sum of \$23 was taken from the Downard home. The police are investigating.

### BOYD SPEAKS:

## "We Want Industry For Town"

"Newmarket is going all out for new industry," said Charles E. Boyd, chairman of the industrial committee of council in an interview this week. "We need new industry. We want new industry. Newmarket will do everything within its power to co-operate with new industry locating here."

In recent weeks, Mr. Boyd has interviewed 14 industrial prospects, many of them at the International Trade Fair where he spent three and a half days "talking Newmarket" to representatives of firms which he had heard might be interested in locating here.

"Every possibility, every rumor of a new industry is tracked down," said Mr. Boyd. Additionally, Newmarket can make use of the services of the industrial division of the provincial department of planning and development, and the department's representatives abroad.

"Many of our tips on industrial possibilities reach us in the form of rumors from citizens in town," said Mr. Boyd. "We welcome such tips. We contact the industry concerned and present them with the facts about Newmarket, try and arrange for them to visit the town, and in short, do everything we can to sell the town to them."

Some of Newmarket's selling points, as outlined by Mr. Boyd, were ample labor supply, 60-cycle electric power, good transportation facilities, within easy distance of Canada's largest consumer market, adequate water supplies, modern schools and parks, existing industrial sites, some of them on railway sidings, and "a municipal council ready and willing to co-operate with new industry in the provision of services and assistance in settling into the town."

Another factor, according to Mr. Boyd, is that the housing shortage is less acute in Newmarket than in a good many other municipalities, and the

### SCHOOL RESULTS

The complete list of Newmarket and Aurora high school results will be printed next week along with some public school results.

The Era and Express was presented with two trophies over the weekend. They were the Legge Trophy, for the best editorial page among Ontario and Quebec members of the Canadian Weekly Newspapers Association, and the Aurora Banner Trophy, for the best all-around weekly newspaper published in towns of 4,000 to 6,000 population.

This is the third straight year that the Era and Express has won the Legge Trophy. This

the first year that the Aurora Banner Trophy has been in competition. Chick Spence, publisher of the Strathroy Age-Dispatch and past president of the Ontario-Quebec division, presented the Legge Trophy to editor John Meyer. Col. F. J. Pickering, editor of the Aurora Banner, presented the Aurora Banner Trophy.

The presentations were made at the annual convention of the Ontario-Quebec division at Wiggan on Lake Rosseau over the weekend.

The Mildmay Gazette was awarded the Joseph Clark Trophy as the best all-around weekly published in towns of a population of 1,500 or less. The Stevenson Trophy, for the best front page of a weekly published in towns of 4,500 population or less was won by the Richmond Hill Liberal. The A. V. Nolan Trophy, offered this year for the first time for the best all-around weekly published in towns of 1,600 to 4,000 population was won by the Aurora Banner.

The Era and Express won the only two trophies for which it was eligible. Four of the five trophies offered for competition

were won by York County newspapers. Charles Nolan, who has succeeded his father as editor of the Stouffville Tribune, was elected president of the division. The Nolan Trophy was donated by him in memory of his father this year.

In the last three years, the Era and Express has won five trophies. Three times it has won the Legge Trophy for its editorial page, this year the Aurora Banner Trophy for all round excellence, and in 1950, the David Williams Trophy for best editorial page in its circulation class in national competition. In 1949 and in 1951 it came second in competition for this trophy.

The convention was addressed by Robert Saunders, chairman of the Ontario Hydro Commission, who announced the plans for a second tunnel at Niagara Falls. He also spoke of the lack of understanding, the refusal to accept facts about Canada, and lack of belief in Canada which he had encountered in the United States.

"They simply refused to believe that Canada could build the St. Lawrence Seaway even though faced with the statistics and accomplished facts," he said.

## Farm In Whitchurch Aerial Photo Subject Third Picture Page 5

This week's winner of the Lucky Farm Photo Quiz is Richard Corbett. The farm is located on lot 23, the second of Whitchurch. Mr. Corbett was in the office Saturday to identify his farm and on Monday, C. E. Richardson, Newmarket, who had sold the farm on retirement to Mr. Corbett in 1949, was in to see if it had been identified yet.

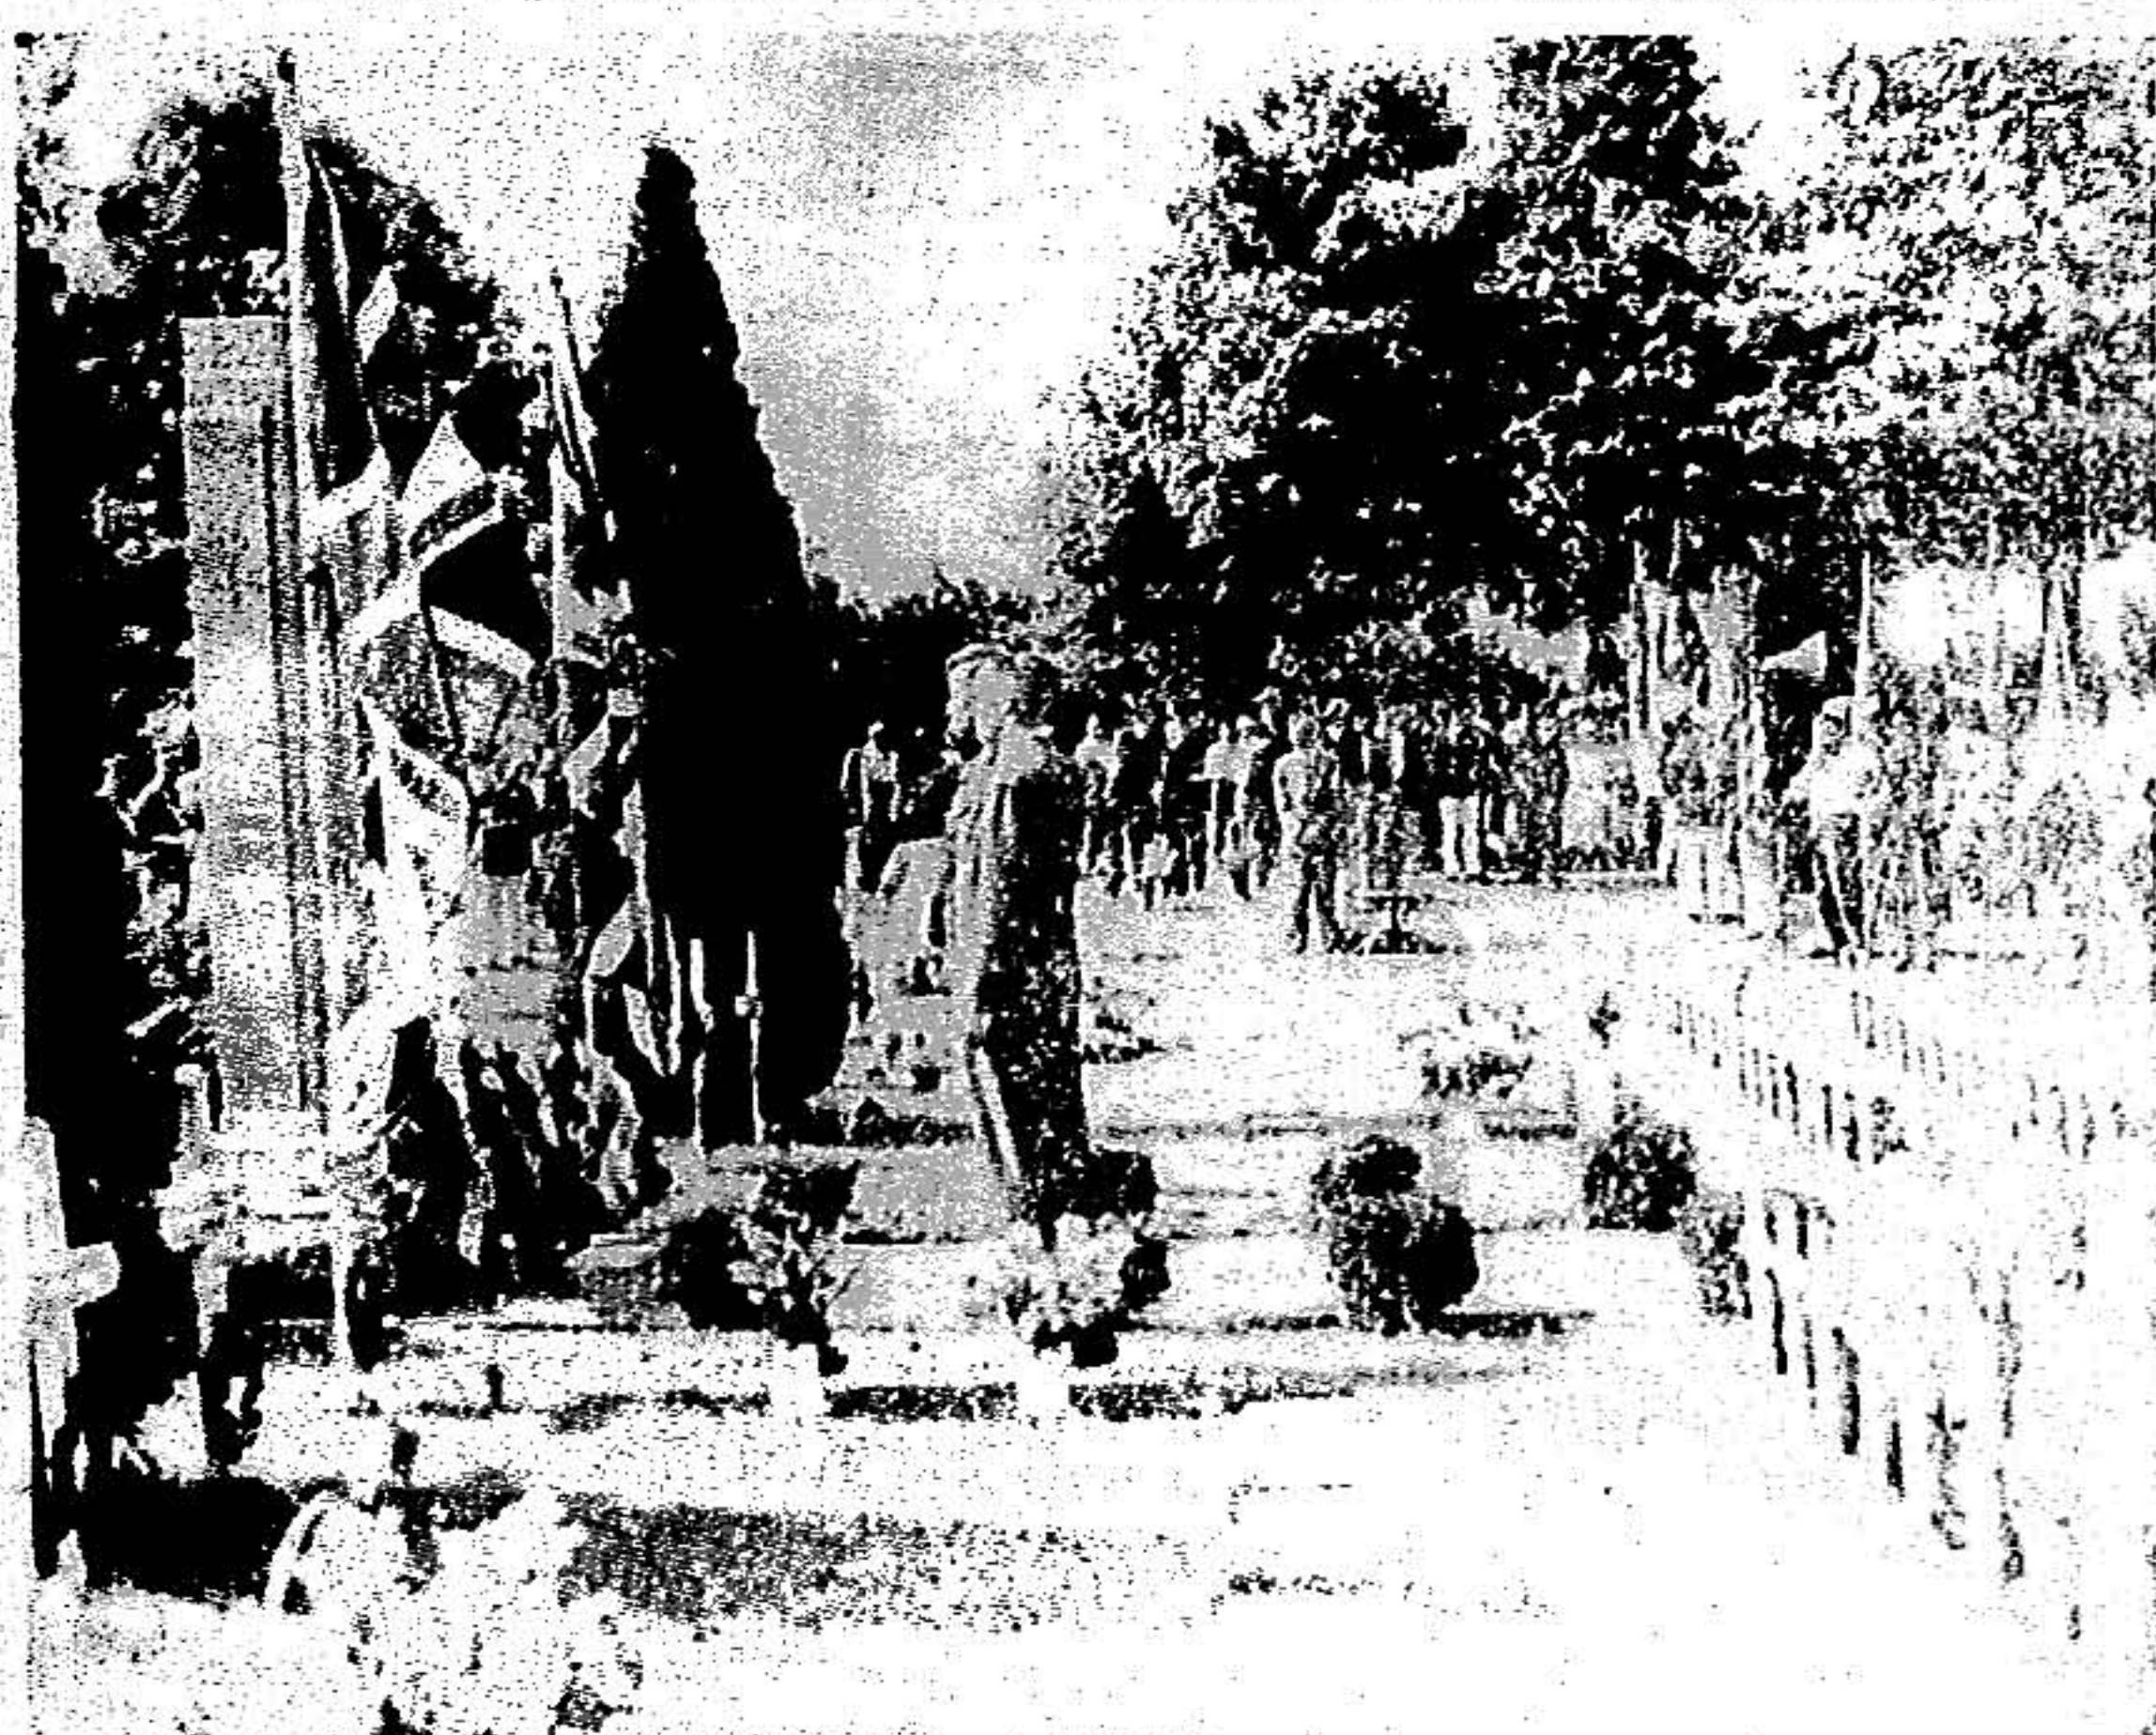

Mr. Richardson could recall the history of the farm back beyond 1877 when it was then owned by Thomas Coates. Mr. Richardson's mother, Mrs. Coates and on her marriage to C. C. Richardson, he relinquished half of the farm to his son-in-law. The north half went to his son, Jos. Coates, who farmed it for about ten years. Jos. Coates sold to Mr. and Mrs. Jos. Stephens who farmed it for another ten years or so.

Then C. E. Richardson, who had taken over his dad's half, was able to buy back the north half and unite the farm again. Mrs. Stephens, he told us, was living in Newmarket and had passed her 90th birthday.

Mr. Corbett came from England in 1948. He had farmed in England all his life with the exception of the war years when he served in the army. He is raising Angus cattle and Yorkshire hogs, growing much of his own feed. The farm exceeds 150 acres. The house shown in the picture was built by Mr. Coates in 1864.

This week's farm photo appears on page 5 and when the owner of the farm identifies it, he has only to come to the Era and Express office, tell us something about the farm, and collect his 30 gift certificates of \$1 each which the merchants of Newmarket, Aurora, and district, who are co-operating to present this weekly feature, are contributing to the lucky winner. Additionally, he will receive a framed and enlarged copy of the photograph of his farm.

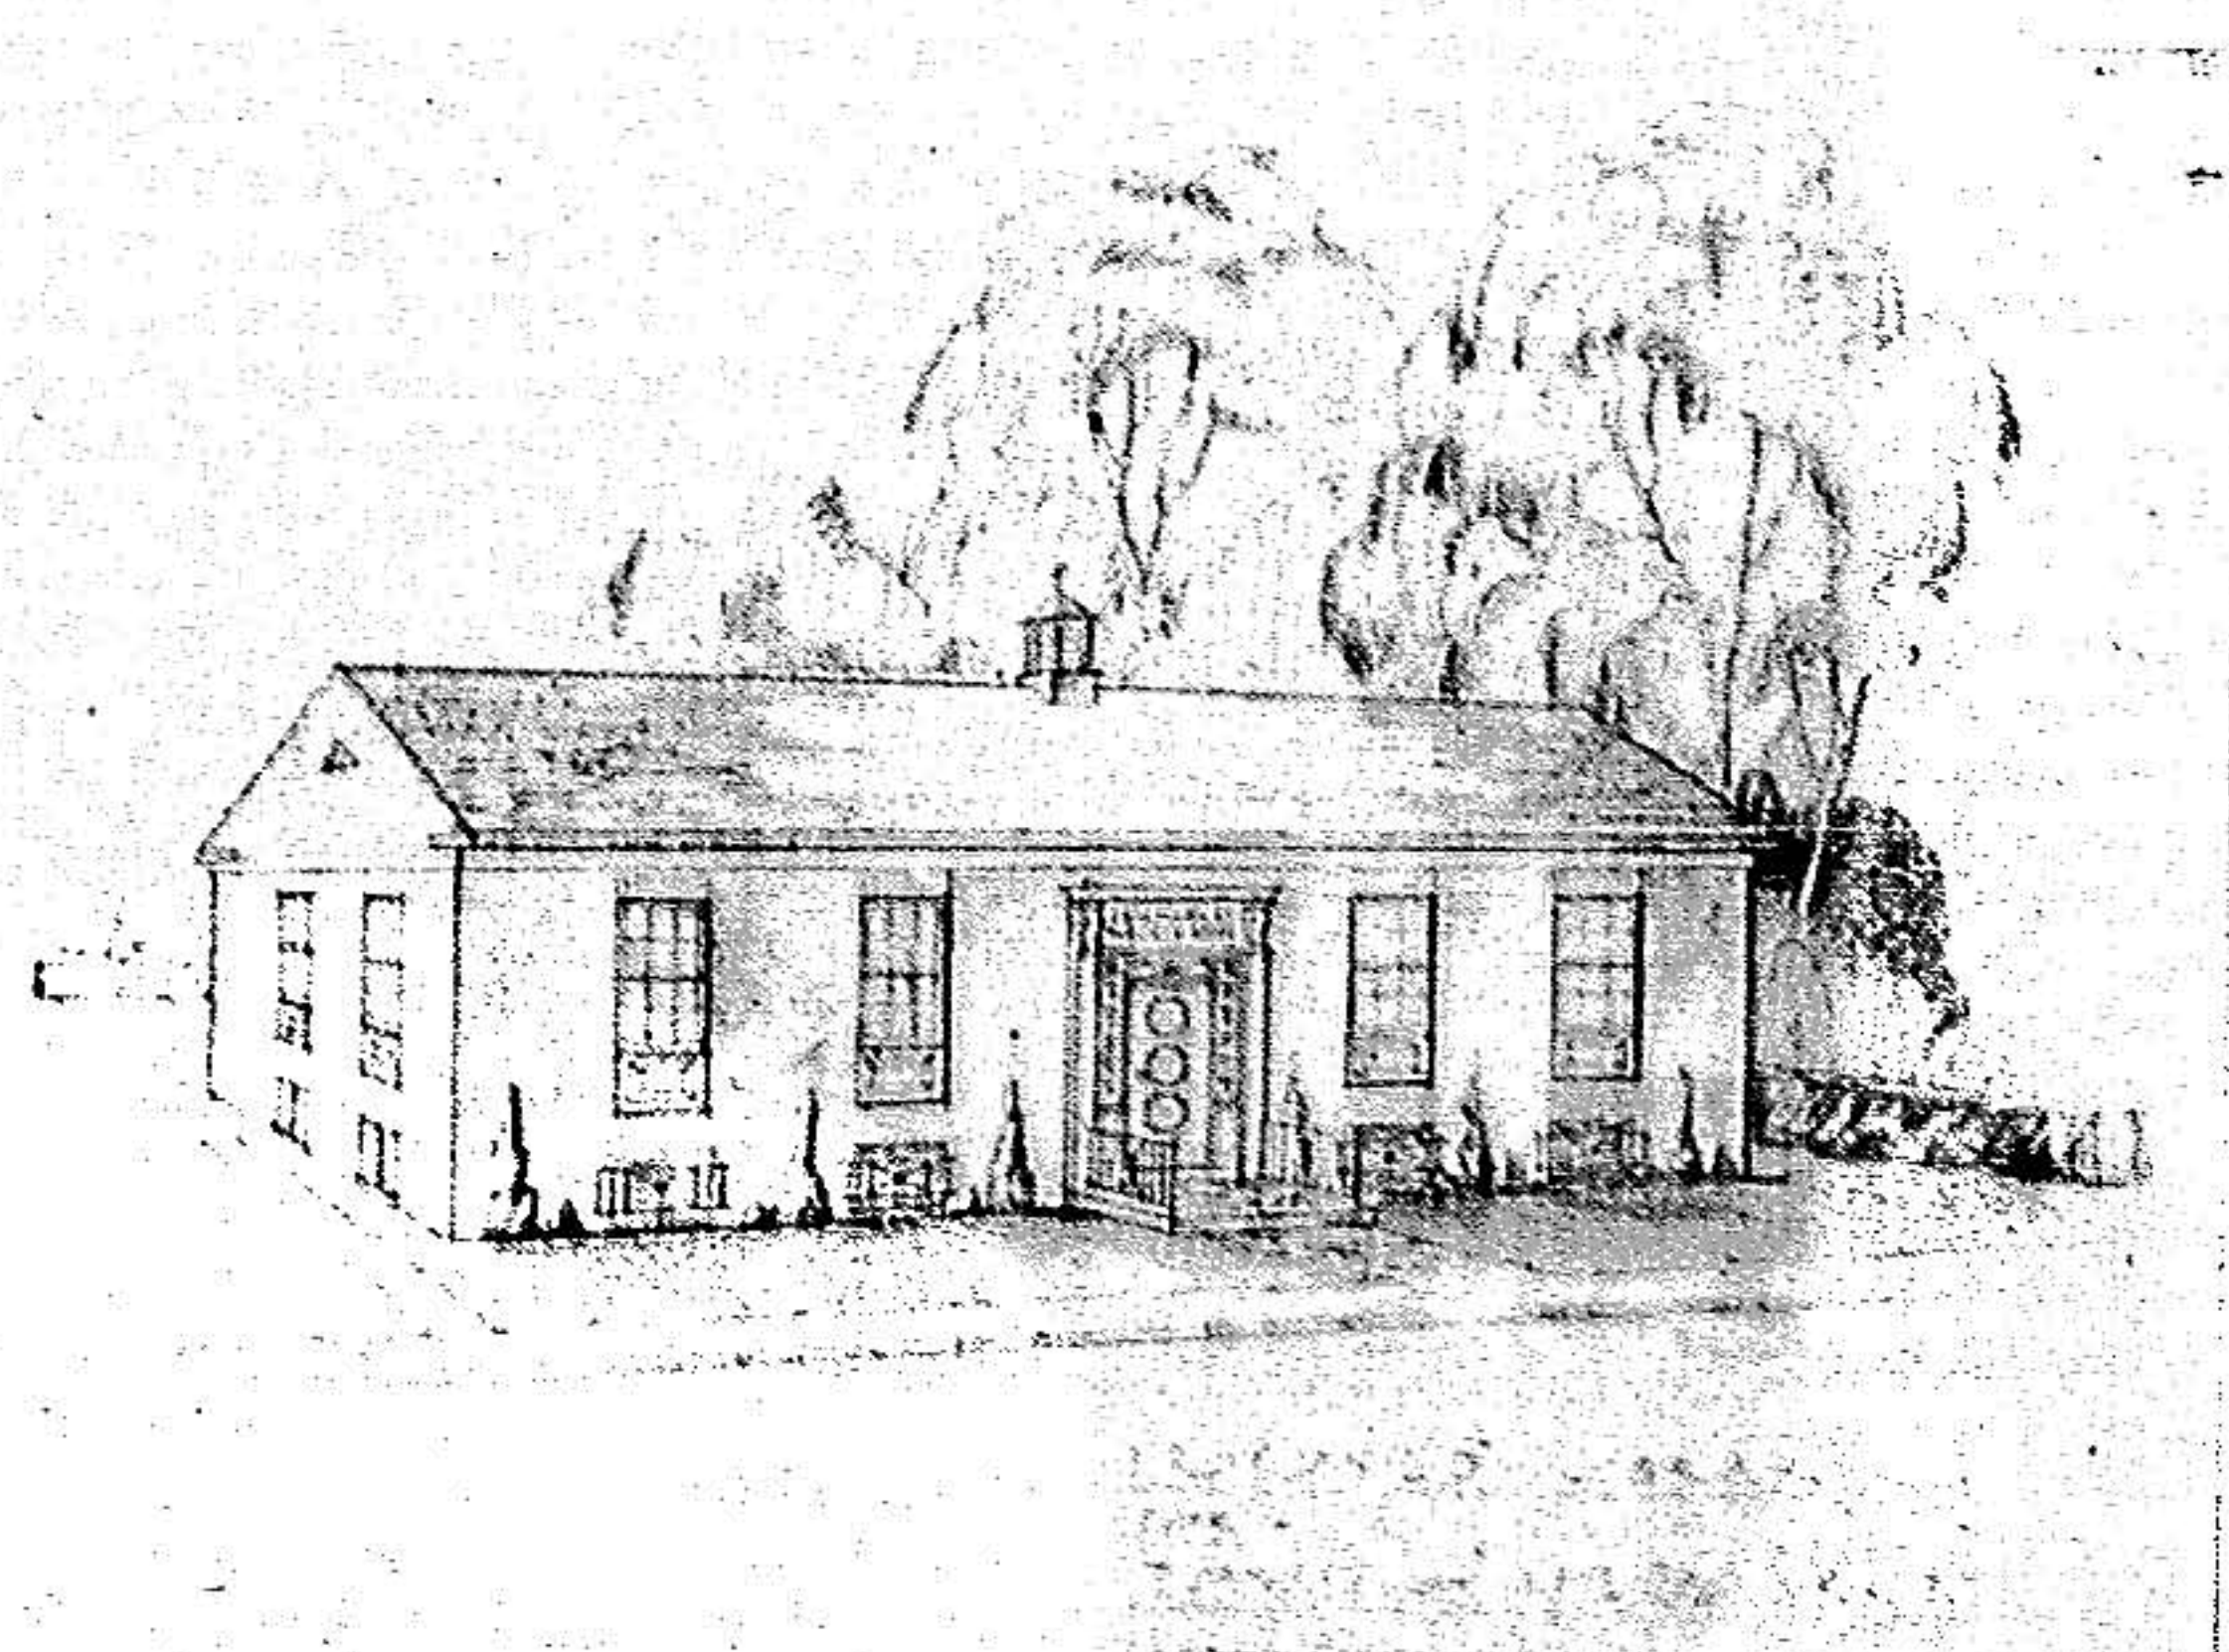

### MORE PICTURES OF NEWMARKET'S DECORATION DAY

2. Members of the Newmarket Wing of the R.C.A.F. association have placed wreaths on the memorial; they step back and salute.

1. Group Captain J. D. Syme, M.B.E., places wreath on the veterans' memorial at Newmarket cemetery during the decoration day services. Flying Officer Gallop is standing aside.

The above is the architect's sketch of the proposed new Newmarket public library building. The building is 25' x 50' and has a lecture room in the basement where films can be shown. The board is preparing estimates of the total cost of the new building for presentation to the town council. A site is being sought on Park Ave.

### CHRISTADELPHIAN

#### The Re-settlement of Israel - - Divinely Foretold

The land of Israel that lay desolate for centuries is now inhabited; and the wastes and swamps are being turned to fruitful fields. It is called by the great Eternal - His land. (Lev. 25:23; Ezek. 38:16). It is a land that God careth for: His eyes are always upon it (Deut. 11:12).

This is the land covenanted to Abraham and his seed, the Lord Jesus Christ for an age-lasting possession. Paul tells us that the Gospel was preached to Abraham, "saying, In thee All Nations be Blessed . . . Now to Abraham and his seed were the promises made. He saith not, And to seeds as of many; but as of one, And to thy seed, which is Christ . . . For as many of you as have been baptized into Christ have put on Christ. Their is neither Jew nor Greek, bond nor free, there is neither male nor female: for ye are all one in Christ Jesus. And if ye be Christ's, then are ye Abraham's seed, and Heirs according to the Promise" - - - (Gal. 3:8, 16, 27-29).

God also made His covenant with Isaac, Jacob, and David, promising them inheritance in the land with Abraham. To enjoy his inheritance with Christ (his chosen seed), Abraham must rise from the dead, as Jesus said he would. (Mat. 22:31-32). In Heb. ch. 11 we read of a number of ancient worthies who underwent trials and persecutions, "that they might obtain a better resurrection"; and concerning them we read in vs. 39, 40: "These all, having obtained a good report through faith, received not the promise: God having provided some better thing for us, that they without us should not be made perfect."

The present pre-adventual colonization of Israel will continue. The Jewish people are going back to Israel today as agriculturalists and traders, not with the idea of returning to Abrahamian faith and of obeying God's commands from whom they became estranged through disobedience. Before the children of Israel will occupy all the land promised to Abraham, extending from the River of Egypt to the River Euphrates (Gen. 15:18), it will be necessary for the nation to be humbled and acknowledge Jesus as the One Whom their fathers crucified, and they shall look on Him, "Whom they have pierced, and they shall mourn . . . and shall be in bitterness for Him" (Zech. 12:10).

For a deeper grasp of this important Bible topic, read - "What Lies Ahead", which is obtainable from Thomas H. Briggs, R. R. 1, Keswick.

## Pages from the Editor's Notebook

We spent the weekend at Wigwagan Lodge on Lake Rosseau where we attended the annual convention of the Ontario-Quebec division of the Canadian Weekly Newspapers Association. It was a thoroughly enjoyable convention. We renewed old acquaintances and made new ones. There was good fellowship and exchange of ideas. The setting was ideal and the business accomplished reflected the absence of distractions.

We'll treasure many memories of the convention but the warmest memory is the manner in which our five-year-old daughter stopped Bob Saunders cold. The chairman of the Ontario Hydro Commission was the only guest speaker and he had chosen the convention as the place to announce the building of a second tunnel at Niagara.

In the middle of his address, in the dramatic pause which preceded his announcement, Stella giggled and her laughter echoed in the attentive room like a thunder-clap until it was absorbed in the roar of adult laughter which followed it. Mr. Saunders tried again but succumbed to his own laughter. He finally got the announcement out but only after cautioning Stella not to laugh, a warning which provoked more laughter.

It is not often that a man has the opportunity to make an announcement of such importance. Most of us go through life with only two such occasions, the day we announce our wedding and the day our first child is born. Mr. Saunders had worked hard to impress upon his audience the importance of his announcement, only to have it greeted with laughter. But he was a very good sport about it. He told us af-

ter that Stella's interruption had "made his speech. They really warmed up after that." He must have been sensitive to the warmth because he gave us an excellent talk.

During the presentation dinner, we sat across table from Don Fairbairn, the Neighborly News commentator. He enquired after our farmer friend whose almanac and moon-book has been helping us forecast the weather in this column. We learned too that he has gone to a new job, that of executive assistant to C. J. W. Shugg, publicity director for the Dairy Farmers of Canada.

Don was born and raised on the home farm in the Niagara Peninsula. He went to Beamsville high school, Hamilton Normal School and Ontario Agriculture College. He got into radio in 1935 as a farm commentator, writer and producer. In 1939, he joined the CBC farm broadcast department.

During the war, Don served with the R.C.A.F., first as a radar mechanic and then as public relations officer. On his return to Canada, he was producer in charge of rehabilitation programs for CBC and then a sales representative for the CBC commercial division until 1947 when he resigned to resume a microphone career.

When Andy Clark, the originator of Neighborly News, died in 1948, Don succeeded him and is now a regular Sunday visitor in hundreds of farm homes in this area. It's a job he'll continue to hold. He also directs that Dairy Farmers of Canada "Down Dairy Lane" every Thursday on the Trans-Canada network of CBC.

## From the Files of 25 and 50 Years Ago

JUNE 24, 1927

After a successful business career in Newmarket for about the past 25 years, P. W. Pearson, M.P.P., has sold his large coal trade to Mr. J. O. Little, and his lumber business to Mr. W. H. Eves. Mr. Pearson hopes to have more leisure time to recuperate and to devote to public interests.

The radial spur running from Yonge St. to Schomberg was discontinued last week.

On June 18, 1927, the annual Aurora horse show was held with an attendance of over 3000, a large crowd despite the fact that it had been postponed for two weeks.

One of the nicest brick residences on Gorham St., which is being constructed for Mr. Frank Bowser, is almost completed. The owner expects to move into it next week.

Three Newmarket rinks attended the lawn bowling tournament at Barrie last week and brought back two of the prizes which were won by J. O. Little, H. E. Whyte, Dr. Bartholomew, W. L. Bosworth (skip) and second prize won by G. K. Eaton, R. L. Pritchard, G. L. Manning and G. A. Binns (skip).

The town council has decided to offer \$50 in prizes for the best decorated residences in town on July 1. This should make the "Hub" very attractive for the jubilee celebration.

Messrs. VanZant brothers, who have been in the tinmith business at the North end have sold out to Mr. F. Edgar of Guelph, who took possession this week.

The Bell Telephone Co. is putting in new cement steps at the central exchange.

JUNE 27, 1902

Toronto spent a quiet Saturday without the street cars, as the men went on strike at noon. Sunday, however, saw riots breaking out all over the city. The whole police force was on duty and 1400 men of the militia were called out for strike duty.

Any attempts to move cars out of the barns was attended by scenes of great disorder and violence. Stones, sticks, bricks, eggs and stale vegetables were the weapons adopted by strikers and their sympathizers.

The strike lasted but two days, the agreement between the committee of employers and the company being signed on Monday afternoon. The men received the rate of pay they asked which was 18 cents per hour the first year and 20 cents per hour after that. The previous rate of pay was 17c per hour for the first year with 1c per hour increase for each year of service up to five years.

The whole Empire has been greatly shocked by the sudden attack of appendicitis which His Majesty King Edward VII suffered this week. The coronation was to have taken place yesterday but had to be postponed indefinitely due to the king's illness. Sir Wilfrid Laurier cabled the message from England to Ottawa.

Mr. Peter Routledge of Oak Ridges has purchased the corner lot on Main St., just north of Mr. Geo. Trivett, and has commenced building a new residence.

Thompson's repair shop on Prospect Ave., is to be ready for business next week. It will be operated by steam power, the new engine and boiler are expected to arrive Wednesday.

THURSDAY, THE TWENTY-SIXTH DAY OF JUNE, NINETEEN HUNDRED AND FIFTY-TWO

### THE LATE J. L. SPILLETTE

The sudden passing of Mr. J. L. Spillette came as a shock to the community. He was an energetic man, in business and in the service of Newmarket and York County. All who knew him forecast fresh successes for him in both endeavors. Death came at a time when he was at the peak of his municipal career. There is a certain appropriateness in the fact that he died while carrying on the functions of his office; but there is tragedy in his death with so much still ahead of him.

Mr. Spillette served Newmarket earnestly and sincerely for six years as councillor and a further six years as deputy-reeve. In that time, he was an active participant in all the major developments which have contributed so much to Newmarket. He was a keen supporter of sports, a member of many service groups. He was the second deputy-reeve in the county's history to be warden. As commissioner for the York County Home for the Aged, in 1949, he devoted much time and effort to the improvement of facilities there. More recently, he has been concerned with the public park opened by the county on Lake Simcoe.

"For years, he poured out his energy for the good of his town and the countryside." These were the words of Rev. Henry Cotton during the service. They are a fitting tribute, testified to by the numbers who bade a last farewell on Monday. We join with all who knew him in respect for the dead, and sympathy for his family.

### WINS TWO TROPHIES

The Era and Express, for the third year running, has been awarded the Legge Memorial Trophy for the best editorial page in the Ontario-Quebec Division of the Canadian Weekly Newspapers Association. The Era and Express was also awarded, in the first year of competition, the Aurora Banner Trophy for the best all-round weekly published in towns of 4,000 to 6,000.

We are deeply appreciative of these honors. But we still believe, as we have said in other years, that such honors are as fairly won by the readers as by the newspaper. The publication of a newspaper is very much a partnership between editor and reader and the honors won by the editor are as surely owing the reader.

We extend to Messrs. F. J. Picking, editor of the Aurora Banner, and Sam Cook, editor of the Richmond Hill Liberal, our congratulations on the awards to their papers of Nolan Trophy and the E. F. Stephenson trophies respectively. It is worth recording that of the five trophies in competition, four of them were won by York County weeklies. To cap this, Editor Charles Nolan of the Stouffville Tribune was elected president of the association.

The fifth trophy, the Joseph T. Clark Trophy, awarded to the best weekly published in towns of less than 1,500 population, was won by the Midway Gazette and we extend congratulations to Editor Bob Wenger.

### SYMBOL OF HOPE

Last week we reported the successful efforts of two volunteers and the Humane Society inspector to return to their haven in the reeds in Fahey Lake a family of mallard ducklings which had been swept over the dam and were stranded on the apron below. The men labored off and on most of the day, drenching themselves in the process, but eventually, they cornered the ten ducklings, carried them to the other side of the water works, and returned them to Fahey Lake.

In this day and age, when human life is so little regarded, it is encouraging to know there are still men who will spend time and no little effort to succor a family of ducklings. It may have seemed a somewhat wasteful, or sentimental, even a foolish undertaking, to a good many of those who watched the proceedings. Perhaps it was. But we see the rescue as a symbol of hope.

We badly need such symbols. Under the pressure of the times, we are losing sight of the fundamentals of our free ways. There is a tendency to lump all human expression into masses and ignore the individual. Yet, no matter how elaborate our civilization, how far-reaching our attainments, they are nothing unless founded on a respect for individual life and dignity.

To equate the rescue of ducklings with a hope for the future is, perhaps, stretching the point. But we

remember how during the war London firemen had to be restrained from entering burning buildings at the height of the blitz to rescue cats. These expressions of simple decency, regardless of cost, are expressions of a spirit still alive and responsive to nourishment.

### SWIMMING POOL

We had a couple of callers in the office who were sighing for the delights of a cooling plunge into a nearby pool. There was justification for the wish. The temperature was soaring, the atmosphere hot and muggy. "If only we could swim in Fahey Lake," they sighed.

Is there any real reason why they couldn't some day soon swim in Fahey Lake?

There seems little chance that a swimming pool will be built in Newmarket. The cost is too high. Why do we need a swimming pool, anyway, when at the foot of Main St. there is sufficient water, a dam, and the makings of an extensive park. All that is required is to clean the water and dredge the pond.

Has such an undertaking ever been fully explored? It has been suggested often enough but we know of no effort to go into the matter. We suppose that the condition of the water is a deterrent. But now we have a conservation commission and in time, we could expect the practice of considering the stream as an auxiliary to a sewage disposal system will be discontinued.

In the meantime, what is to prevent the town from embarking on a "clean up" program around the banks of Fahey Lake. It would take time but if the work were started now, there would be an added incentive to complete the job and give Newmarket the beauty spot and recreation area it requires.

It is a shame to see a natural resource wasted because of indifference.

### EDITORIAL NOTES

We read that a man is suing a hypnotist because the latter put him to sleep and ever since, when he hears the tune "So Tired", he has fallen into a deep sleep. We wonder if he has a case. Some of the music you hear nowadays would put us all to sleep. Of course, our major complaint is that after listening to some of it, we can't sleep. Our ears still echo the banging and thumping hours later.

A headline in the Newmarket Journal, England, reads: Mother of Twins in Court—Husband Told He Has Had Raw Deal. This is our first inkling that there was a legal process to which the over-burdened father might apply.

It was a warning experience to read of the welcome given a veteran of Korea by his family and friends at King Ridges in a recent issue. He was met at the station by family and friends and the drive home was interrupted by numerous welcomes from neighbors along the route. And then, at his home, was a large "Welcome" banner. That night there was a grand community reunion.

What a pity it is that all soldiers cannot be so welcomed. If they were, we think that a good many problems of the returned veteran would be eased for him. It can't be very encouraging for veterans to be welcomed by indifference; they have been offering their services, their lives if necessary, for the safety of those at home. Then they return, as so many of them have, to find that those at home, by their indifference, have cheapened their effort.

What editor could rejoice in the return to his typewriter after the convention of weekly editors in Muskoka, particularly in the sweltering weather which has followed the cool weekend in the north. Wigwagan, the resort where the convention was held, is on an island. A truly lovely site. The name is Algonquin for "silver birches". There wasn't one of us who wouldn't have wanted to prolong the convention indefinitely.

Whether there is any prospect of a snowstorm in July 1952, nobody knows. But there was "snow" in July, 1901, according to writing on an old shed torn down by Gordon Wells in King. We have not been able to verify this freak weather story, although older residents say a hail storm could have brought some snow. However, many years before 1901, a summer frost blackened the clover crop in these parts.

## Office Cat Reports Catnips By Ginger

The weekly press had a convention over the weekend up at Muskoka. The boss brought two trophies home and has spent most of the day looking for an appropriate place for them.

I suggested placing one down in the basement press room over ole' Albert's head to urge him on to higher speeds on the Wednesday afternoon press run.

On the other hand, it might not be so good either. He does pretty well running that old press and if he got wound up to too many r.p.m.'s, the whole outfit might fly apart. We'd hate to lose the whole press, Albert and all.

For if the press went, Albert would go too, he's so much a part of it.

Albert is so much a part of it, you can't tell which is the press and which is Albert when Albert is sitting on the driver's seat, up on top of the press. Albert is sure a good press-man.

Your favorite correspondent did not attend the convention of the weekly press but our editorial adviser, Slim Q. Bligens, went up to fish on a special convention complimentary pass given him by the boss in payment for his editorial advice.

Slim, of course, wasn't very interested in speeches and presentations at the convention, considering that there was trout out in the streams, back of Rigwampum, scene of the weekly press convention. Slim can smell trout three miles distant even over and above coffee and bacon.

He didn't listen to many speeches but he did meet a public relations man from one of the represented companies, Bell-Chinmore Beverages Ltd., which sponsors advertising on the outdoor theme. One of several of the Bell-Chinmore advertising aims is to preach on protection of wild life and on other forms of conservation.

## by "Dairy Farmer" The Top Six Inches

For several weeks we have been watching our milk transport. The load has been going up day after day as the cows gorged themselves with fresh grass. And as the loads were increasing, the general anxiety increased too, and there were mutterings of milk surplus and increased consumption and so on.

Then all of a sudden, the spring flush started easing off. The grass got older and the cows lost some weight and a few cold nights and the odd very hot day took care of the heavy surplus. In some parts of the province it has been dry since the end of May. Haying is just getting under way and it is a long way from the aftermath to come. Thus we are over another period of spring fever of milk producers' variety.

We are trying to point up the fact that this will happen every spring and it will pass in a few weeks. It is too bad that our producers' organization is getting frightened every year. One would expect that after a few years of experience they would know what's ahead and take it calmly. Instead of which, every spring we panic.

We must admit though that we aren't too well informed on the latest happenings in the business. It is some time since we had a communication of some sort from the head office. We are wondering what is happening to this question of so-called two-can shippers and less.

Well, we won't have too much time to wonder over the next couple of months. The haying season is on top of us and while the grass silage is in the silo now, the real battle is just beginning. Our whole next year's production is at stake.

## IN MEMORIAM

**CUTTING**—In loving memory of a dear mother, Ellen S. Cutting, who passed away June 23, 1945, also a dear brother, Garnet R. Cutting, July 26, 1916. Years have passed and gone, Since ones we loved so well, Were taken from our home on earth,

With Jesus Christ to dwell. The flowers we place upon their graves, May wither and decay; But the love of them who sleep beneath, Shall never fade away. Ever remembered by all the family.

**DIAMOND**—In loving memory of a dear son and brother, Robert Earl (Bob) Diamond, who died July 2, 1951. Ever remembered by mother, dad and brothers.

**HUNTLEY**—In loving memory of Roy J. Huntley, who passed away June 25, 1951. What would we give to clasp his hand, His happy face to see; To hear his voice and see his smile, That meant so much to us. Sadly missed by father, mother, sister Undine.

**SISLER**—In loving memory of a dear husband and father, George Henry Sisler, who passed away June 27, 1951. Gone is the face we loved so dear, Silent is the voice we loved to hear; Too far away for sight or speech, But not too far for thought to reach. Sweet to remember him who once was here, And who, though absent, is just as dear. Ever remembered by wife and family.

**SISLER**—In loving memory of a dear father and grandfather, George H. Sisler, who passed away June 27, 1951. God called him home, it was His will, But in our hearts we love him still; His memory is as dear today As in the hour he passed away. We often sit and think of him, When we are all alone. For memory is the only thing That grief can call its own. Sadly missed and ever remembered by John, Bertha and Dawn-Jo-Anne.

**WHILEY**—In loving memory of my dear sister, Margaret Annie Whiley, who passed away June 24, 1952. Just a thought of sweet remembrance, Just a memory fond and true; Just a token of affection, And a heartfelt still for you. Lovingly remembered by brother Herbert.

## FAMILY GATHERS FOR 75TH BIRTHDAY

Mrs. T. G. Cumber celebrated her 75th birthday on Sunday, June 22. To mark the occasion a family dinner party was held on the preceding evening at the home of Mr. and Mrs. Francis Sheridan. All her children were home for the turkey dinner.

Present were Mr. and Mrs. Charles Cumber, Arthur Cumber, Toronto, Horace Cumber, Mr. and Mrs. N. L. Park, Bob and Nancy Ruth Park, Misses Joan Flintoff, Clare Flaxman, Winnie Cumber, Stanley Cumber, Toronto, Mr. and Mrs. Francis Sheridan, Barbara and Marjorie Sheridan, Fred Cumber, Mrs. Chantness and Miss Marilyn Chantness, Toronto.

Mrs. Cumber received many lovely gifts, flowers and cards from friends, relatives and neighbors. Her sons presented her with 75 carnations at her birthday party.

**MISSIONARY CIRCLE HEARS REPORTS**  
Convention reports highlighted the closing meeting of the season of the Women's Missionary Circle, Christian Baptist church, Newmarket. Held in the church, the meeting was chaired by Mrs. William Epworth.

Reports from the Baptist Women's Missionary Society convention at Belleville were presented by Mrs. Sidney Jones and Mrs. Wally Stevens. Mrs. Epworth and Mrs. Charles Cumber brought the reports from the general Baptist convention of Ontario and Quebec which had been held at London.

**FRIENDS SHOWER SATURDAY BRIDE**  
Miss Olga Christian was guest of honor at a miscellaneous shower prior to her marriage on Saturday, June 21. Mrs. L. Moffatt and Mrs. Charles Churchill were joint hostesses with the party being held at the home of the groom's parents, Mr. and Mrs. Harold Lee. There were about 40 present.

The honoree was the recipient of many lovely gifts. Following the opening of the presents and as a close to the pleasant social evening delicious refreshments were served.

**OBITUARY Mrs. G. A. Smith**  
Cora Elva Smith passed away on June 8, 1952, at her residence, 18 Raglan St., Newmarket. She was born in East Gwillimbury on October 2, 1873, the daughter of Mr. and Mrs. N. Cole. In November, 1901, she married George A. (Tone) Smith and they celebrated their golden wedding on November 20, 1951.

Mourning her loss are her husband, three sons Carl, Midland, Clarence, Toronto and Alva, Newmarket; one sister, Mrs. Mae LaChapell, Toronto, and two brothers, Mr. Lorne Cole, Newmarket and Roy Cole, Sundridge; one grandson, one granddaughter, and one daughter. A sister and brother predeceased her.

Rev. A. Doggett conducted the funeral service which was held at the Chapel of Roadhouse and Rose on June 11. Pallbearers were Dave Benton, Joe Smith, Harvey Wardell, James Benton, Stan Smith and Jack Stickland. Interment was in Newmarket cemetery.

**OBITUARY Mrs. IDA K. EVANS**  
On May 27, 1952, at York County hospital, Ida Kneeshaw Evans, formerly of 57 Andrew St., Newmarket, passed away.

She was born at Gifford in 1879, the daughter of the late Mr. and Mrs. Jonathan Kneeshaw of Bradford. In February, 1908, she married Edgar J. Evans who predeceased her in December, 1950.

Those who mourn her passing are her son, Elven E. of Cartier, Ont., daughters Marion of Toronto, and Madeline (Mrs. Earl Bowles) of Bradford, and grandson Gary Bowles.

The funeral service was held at the chapel of Roadhouse and Rose, Newmarket, on May 29. Rev. M. J. Aiken conducted the service. Pallbearers were Brock Evans, Ernest, Faris, Mat and Dr. Selby Kneeshaw, and Douglas Stewart.

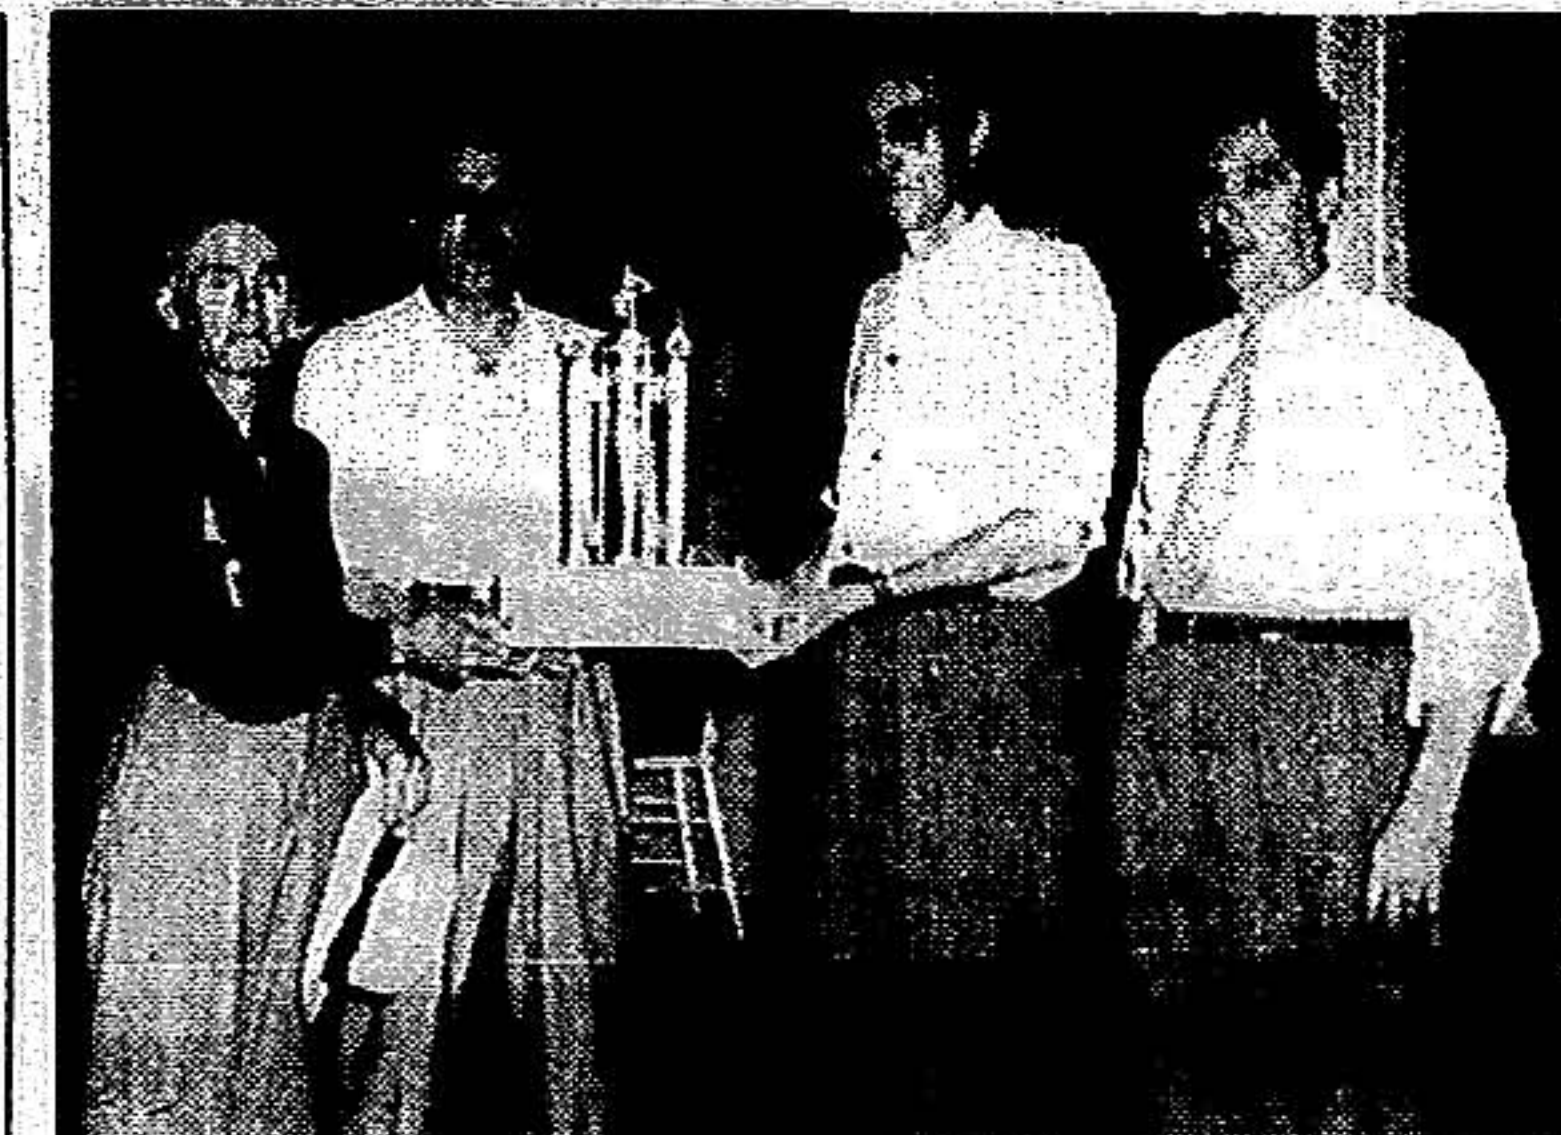

Interment was in Mount Pleasant cemetery, Bradford.

**WANT INDUSTRY**  
Continued from Page 1  
Council is discussing the possibility of 25 low rental homes built by the government.

A few prospects come to Newmarket on their own. In this case, they are interviewed by Mr. Boyd, Mayor Vale and Clerk Wesley Brooks, and shown the town. Arrangements are made, if possible to follow up such contacts.

Newmarket is now compiling a list of its industrial attractions and it will be sent to a select mailing list of industrial possibilities. Also listed with out-of-town agencies are town and private properties suitable for industrial locations.

At the next council meeting, as part of the continuing process of advertising Newmarket, Mr. Boyd says he will recommend the erection of large signs on Newmarket's approaches telling about the town.

Lightning does strike twice. For the second straight year, Bob Pritchard's Newmarket rink captured the Era and Express and Merchants Trebles Trophy at local greens last week. Eighteen rinks entered the competition. The winner was in doubt until the very last bowl. ## DISCUSS COURSE IN HOME NURSING

The possibility of holding a course in home nursing was discussed at an executive meeting of the Newmarket branch of the Red Cross on Thursday, June 12. Appointed to the committee were Mrs. C. E. Wheeland, Mrs. Fred Breckon, Mrs. Horace Jacques and Miss Edith Robertson, president of the local branch.

If there is sufficient response to warrant the arranging of such instruction, a course will be available in the fall. Registration for a Red Cross home nursing course is open to those 15 years of age or over. Those interested in such a course are requested to contact Mrs. C. E. Wheeland, 2061, or Miss Robertson, 257.

## 'BEST I'VE EVER SEEN' VISITOR PRAISES VETERANS CEMETERY

Writing to thank his hosts for their invitation and hospitality on Decoration Day in Newmarket, J. Lowe, St. Catharines, president of the Ontario Command, Canadian Corps Association, spoke highly of the veterans' plot at the Newmarket cemetery.

"Newmarket citizens must be very proud of such a beautiful place," he writes, "and the Soldiers' Plot without doubt holds first place to any I have seen. That was also the general feeling of all those who came from St. Catharines to attend this service."

"If you would, I would like you to pass on this expression of praise to H. M. Gladman (chairman of the cemetery board) and members of the board, and to all who may have had anything to do with keeping up this lovely place. I know it takes a lot of work on the part of some one."

## GOULD REUNION

The annual Gould re-union was held on Saturday, June 14, at the home of Mr. and Mrs. Dave Gould, Palgrave. After a much enjoyed afternoon of sports for young and old about 70 guests sat down to a picnic supper.

Officers for 1953 were elected as follows: pres., Ernest Gould, Guelph; sec. treas., Mrs. George Edwards, Schomberg; sports committee, Lorne Gould, Woodbridge, and Oliver Gould, Newmarket.

The next re-union to be held the second Saturday in June, 1953, at the home of Mr. and Mrs. Kenneth Gould, R.R. 2, Beeton.

Two sisters of this pioneer family have passed away since the re-union of 1951. Mrs. Vaughan of Toronto and Mrs. Paton of Pottageville.

## Davis Reunion

The Davis family held its 14th reunion in Aurora town park on Saturday. Over 100 members of the family were present. Saturday was one of the largest gatherings of descendants of Thomas Davis who, with his wife and two children and four brothers left Pennsylvania around 1776 and came to Upper Canada, settling on a crown grant of 100 acres on lot 20, the third of King.

Oldest man member was William Davis, 84, of Snowball, and eldest woman was Mrs. Maude Leach, 80, who came from Flint, Mich. Most of those gathered at the reunion came from King and Whitechurch townships. Games and a monster supper were highlights of the reunion.

THE BRAND NEW addition to your family naturally deserves the best of everything—and you'll probably see to it that he gets it. One of the nicest things about making preparations for a new baby is that you can make so many articles by hand. It's so much fun to knit, sew or crochet the tiny garments that a baby needs.

When Mother was a Girl  
When Mother was an infant in pink, increased activity in the family sewing circle meant a blessed coming event. Baby fingers fashioned layettes; fond relatives prepared to dress Baby in hand-made finery from bonnet to bootee and every stitch was made by hand. Then came the era of ready-mades and Baby's wardrobe loses its individuality. But once again it's advisable to keep a few important things in mind. You should watch your tension and before starting your knitting, check with your instructions to find out the right size wool and knitting pins indicated which will help you to do this. Many patterns are given in a choice of sizes, and it is a good thing to choose a larger size in order for the child to be able to wear it for a longer period. If you are making a gift, a 1 year size is appreciated as so often Baby has too many little garments and nothing to wear when he starts to grow. Proper wool is recommended as it has been treated against shrinkage and finished with an extra soft surface so that it will not irritate the delicate skin.

**Knitted Jacket, Bonnet and Booties**  
The sweet little set pictured here can be easily made from only 4 ozs. of baby wool, 5 dainty buttons and 2 yds. of ribbon. If you would like to have a direction booklet for 3, 6 and 12 mos. sizes, just send a stamped, self-addressed envelope to the Needlework Department of this paper requesting SMILIN' THROUGH, Leaflet No. CW-36.

## IT'S A Woman's World

By CAROLINE ION

We were interested to learn that a course in home nursing will be available to the women of Newmarket this fall, if there is sufficient demand for it. The local branch, Canadian Red Cross society, will sponsor one. It is open to any person over the age of 15 years.

Home nursing is one type of training that no homemaker can afford to be without. Every mother needs to be able to recognize symptoms, follow doctor's orders and keep a bed patient comfortable. Do you know how to plan meals and feed the sick? Disinfect and sterilize? Make a hospital bed and move a helpless patient? At anytime in your own home or that of a neighbor's, such knowledge can be called upon. A Red Cross nursing course provides the theory and practice to meet these situations.

In a Red Cross home nursing course you learn how to take and record temperature, pulse and respiration. You are taught to give various types of enemata. You learn how to apply mustard and linseed plasters. But, besides the many practical techniques you will learn, you will gain confidence in yourself to meet the emergencies which arise in daily living.

After such training you know how to meet sickness in the home. You can lend a hand to a new mother and her baby home from hospital and unable to get professional assistance. Or, dressed in the regulation white smock, veil, badge and pin, you will be ready to give volunteer service in emergencies when sufficient graduate nurses are not available.

Most of us in small towns have been confronted with the problem of finding trained help following hospitalization. There is no need for a graduate nurse. However, the services of someone conversant with the care of the home during sickness is required. There is an ever-present urgency for trained workers in home nursing.

Then, there is the case of the chronically ill mother who is cared for entirely by the daughter at home. When a course in home nursing is available in town it means that perhaps that woman's neighbor will be trained so that she can be of definite assistance. She could relieve the daughter for a short interval each week, a task in itself not too burdensome and yet for the person as confined to the house as the nurse such a period of freedom from responsibility would seem to be God-sent.

The purpose of this Red Cross home nursing course is to provide a group so trained that they are capable of giving nursing care under professional direction, either medical or nursing in their own homes or in the homes of their neighbors. There may be some question as to whether you would ever be called upon to help in an emergency in the community or to render service to your neighbor. But, the odds are very great that such training will be a boon to every homemaker in her own home.

As the motto of the Red Cross Volunteer Nursing services states, "Better a preparation never tested than a memory of a need not met". Those who are interested in registering for the home nursing course are requested to contact Mrs. C. E. Wheeland or Miss Edith Robertson.

### WINSTALL - REGAN

Norman College Chapel, Toronto, decorated with pink and white snapdragons and sweet peas, was the setting for the marriage on Saturday morning at 10 o'clock, June 14, of Mary Catherine Regan, daughter of Mr. and Mrs. William J. Regan, Mount St. Francis, King Township, to Paul Reginald Winstall, son of Mr. P. A. R. Winstall, Toronto.

Rev. Father William Brown officiated and with him in the sanctuary were Rev. Father Francis McGloay of Schomberg and Rev. Father Basil Regan, principal of St. Michael's College and cousin of the bride.

Given away by her father, the bride wore a gown of crisp frost white faille with long sheath sleeves and a slim bodice of imported lace, featuring a high stand-up collar. A full gathered skirt with a circular train had a front panel of matching lace. She carried a cascade of Killarney roses, stephanotis and forget-me-nots.

The bride's only attendant was her sister, Margaret Regan, gowned in baby blue nylon marquisette over slipper taffeta with tunic of Swiss embroidery with scalloped edge and matching bolero jacket and mitts. She wore a cap of matching material with blue buds and carried a cascade of sweetheart roses and blue carnations, stephanotis and lily of the valley.

Supporting the groom was William Myers of Chatham and the usher was Edward Regan, Toronto.

The reception rooms of Prince Arthur House, were decorated in pink and white flowers and after 75 guests were welcomed the bride chose as her travelling costume, a pale blue silk shantung dress with full skirt worn over a crinoline, matching jacket and matching hat and accessories. She wore a corsage of sweetheart roses. The couple are spending their honeymoon at Watabeg Lodge, Northern Ontario. They will make their home in Toronto.

### SEDORE-HICKS

On May 31, 1952, at the United Church parsonage, Mount Albert, Ontario, Margaret Hicks, daughter of Mr. and Mrs. Wm. Hicks of Mount Albert, became the bride of Bruce Herbert Sedore, son of Mr. and Mrs. Ernest Sedore, Mount Albert.

Rev. Shapter officiated at the ceremony.

The bride was gowned in white and lace over satin, the bodice being trimmed with tiny seed pearls. A pearl head-dress held her veil of nylon net which was edged with lace. She carried a nosegay of pink roses and small mums.

The bride's attendant, Marion Sedore, sister of the groom, wore blue net and lace over taffeta and carried a nosegay of pink roses and sweet peas.

The bride's brother, Jack Hicks, was best man.

For the reception, held at the home of the bride's parents, the bride's mother chose a wine dress and black accessories and the groom's mother wore a powder blue crepe and white accessories.

For travelling to Northern Ontario and Quebec the bride wore navy blue taffeta with white accessories.

The happy couple are residing in Mount Albert.

### HARE - VAN DYKE

Peonies, ferns and sprays adorned Christian Reformed Church, Ansoreveld, on Thursday, June 12, when Minnie, youngest daughter of Mr. and Mrs. Walter Van Dyke, became the bride of Clayton Arthur Hare, son of Mr. and Mrs. Arthur Hare, Holland Landing.

Rev. S. G. Brandsema of Toronto officiated and the wedding music was played by Miss Elaine Bond, also of Toronto. Miss Catherine Uitvlugt was soloist. She sang, "The Lord's Prayer" before the procession and "Unto

### PEGG-RUTLEDGE

At the parsonage of Newmarket United Church, on June 4, 1952, Annie Viola Rutledge, daughter of Mr. Alex Rutledge of R. R. 1, Newmarket, and the late Mrs. Rutledge, became the bride of Floyd Pegg, son of Mr. and Mrs. Geo. Pegg, Sharon.

Rev. M. J. Aiken performed the ceremony and Mr. and Mrs. Russell Pegg were the only attendants.

After the wedding reception which was held at the bride's home, the happy couple left on a honeymoon in the U.S.A.

On their return they will reside in Queensville.

## 24 Years Bell Agent At Roche's Pt. Alex Walinck Feted At Retirement

Alexander H. Walinck, grocery store proprietor in Roche's Point and Bell Telephone agent there, was honored last week at a gathering of Bell Telephone officials and friends on his retirement as agent for more than 24 years. The dinner was held at Hamilton Lodge in Roche's Point.

Mr. Walinck was presented with the president's wallet by W. R. Maguire, of Toronto, traffic superintendent for the region. He also received a framed life membership certificate in the Telephone Pioneers of America, an organization of people with more than 21 years' service in the telephone industry. Albert Atkins, Newmarket, representing the Pioneers, made the presentation.

Mr. Walinck was presented when he first became the Bell

agent at Roche's Point on June 1, 1928, the tiny switchboard in his store served only 26 subscribers. Today, he said the Roche's Point exchange has three modern switchboards operated by eight operators and serves 400 subscribers.

Guests attending were Reeve J. L. Doyle, Charles Walinck, Fred Somerville, J. R. Hamilton, Ted Leonard and Ernie Bunn. Bell officials present in addition to Mr. Maguire and Mr. Atkins, were J. E. Hayne, district manager, Toronto; W. K. Elliott, district traffic superintendent, Toronto; J. N. Brokenshire, district plant superintendent, Toronto; Harry Mills, plant wire chief, Newmarket; V. H. Storey, acting manager, Markham; Ed. McElroy, H. Brennan and C. E. MacDonald, plant department, Newmarket.

Both Mr. and Mrs. Bert Scott are on the sick list. Mrs. Scott cracked her ankle two weeks ago and has it in a cast. She is not able to walk with the cast. Mr. Scott, who is ill, will be confined to bed for a few weeks.

## QUEENSVILLE

Mr. and Mrs. Howard Magee and Mrs. Ruth Cleveland of Kingston, Nova Scotia, spent a week with Mr. and Mrs. Herb Kershaw.

Rev. and Mrs. A. E. Millen of Maxville visited at the Hulse home on Friday. Mr. and Mrs. Cyril Hanrahan and son of Lansing were also callers.

A number of ladies attended a shower in Toronto on Friday night in honor of Miss Dorothy Shannon who is being married in August.

A full house greeted Miss M. Armstrong's music festival in the United church on Friday night. The children all did well. Their musical talent is being well developed through our public schools. It is on such occasions as this that we realize just how much talent our younger citizens have.

Another aged citizen, Mr. Wm. Doan, departed this life on Wednesday, June 18. He will be missed by his neighbors in our community.

Mr. and Mrs. Lorne Smith, Karen and Diane, left by motor on Sunday to spend two weeks with Mrs. Smith's parents in Winnipeg.

The graves in Queensville cemetery were beautifully decorated for Decoration Day on Sunday. It is interesting to note just how far some travel to show their respect for their deceased relatives. One man came from Vancouver and a lady came from Pennsylvania. Of course many came from much nearer points.

The Queensville United church Women's Association will hold a home-made baking sale on the church lawn on Saturday, June 28, at 2 p.m.

A special church service will be held in Queensville United church on Sunday, June 29, at 11:30 a.m., marking the occasion of Rev. Alexander Miller's 50th anniversary of ordination to the Christian ministry. Rev. Miller will be the guest minister.

A reception for Rev. and Mrs. A. E. Miller will be held in Queensville United church Sunday school room on Monday night, June 30, at 8 p.m.

Master Johnny Sennett had the misfortune to have his finger broken when caught by a car door, following the school ball game on Tuesday.

Mrs. Max Batt and Mrs. John Grant spent a few days at Brighton and Trenton last week. The bingie held in the rink on Wednesday evening of last week drew a large crowd. Special prize-winners were Ronald Beckett, Fred Dew and W. T. Huntley, all of Queensville.

Share-the-wealth was won by Mrs. W. O. Carruthers, Newmarket, and Mrs. Doug. Beckett of Queensville.

## KESWICK

The Evening Auxiliary had their June meeting June 17 at Mrs. Lloyd Sedore's home. There was a good attendance for a special meeting when Gordon Winch, B.A., B.D., addressed the group and was presented with a shower of gifts for his home in Saskatchewan, where he has accepted a pastorate.

Miss Betty McGill is spending two weeks with her cousin, Mrs. K. Boothby.

Mr. and Mrs. Gordon Carr and Peggy visited relatives near Midhurst on Sunday.

Mr. and Mrs. Frank Marritt spent last week at a convention at Ridgeway.

Congratulations to Mr. and Mrs. K. Boothby on the birth of their son, Alexander Donald.

The picture, "Swiss Family Robinson," which was shown at the arena last Friday was much enjoyed by the children and many adults.

The Father's Day all male choir was much enjoyed at the United church.

Mrs. Perry Winch is accompanying her son Gordon to his new field in Saskatchewan. They are motoring and we wish them an enjoyable trip.

Rev. and Mrs. D. Percy of Toronto will be present at the Christian church monthly missionary meeting Friday evening and will show their latest slides on Africa.

Mrs. Thos. Rigler and Mr. Gleason Rigler of Toronto were Sunday guests of Miss Lynn Marritt.

A great many from here decorated graves in Queensville cemetery for the annual Decoration Day there on Sunday.

Miss Marlene Rye was at home from Toronto for the weekend.

Saturday evening was the first of this season's dances at Keswick Memorial Arena. Bob McCaw's orchestra of Toronto's provided the music.

Mr. Alf Stickland, who has been on the sick list the past week, is improving.

The Woman's Bakery of Toronto opened a store on Saturday in the Thayer house on the corner, Mrs. N. Stonehouse in charge.

Mr. Melvin Morton of Toronto spent the weekend with his sister, Mrs. Winston Prosser, and Mr. Prosser.

Miss Stewart of Toronto spent the weekend with Mrs. Magee and Miss I. Magee.

Mr. and Mrs. Perry Winch Sr. and Rev. Gordon Winch visited Mr. and Mrs. Morton Winch in Orillia on Sunday.

## GLENVILLE PICNIC

The Glenville school picnic will be held on the school grounds on Friday, June 27. All former residents are cordially invited.

## News Of The W.I.

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

"In Czechoslovakia I used to wake up every morning with dread, saying to myself, 'What will happen today?' In Canada it is wonderful — nothing happens. We have our farm. We can work. We have our freedom again. It is the freedom to work and live, after existence in communism. 'Czechoslovakia' which makes us so thankful," Mrs. Debac told the Vandorf branch meeting.

The meeting was held on Wednesday, June 18, at the home of Mrs. Harry Fry, and there was a good turnout of members to hear Mrs. Debac. She told us graphically and intimately of the hopelessness and helplessness of life under communism. Their estate in Czechoslovakia was communized and completed taken over — without compensation of course — and no one was allowed to use any of the produce of the huge farm. Not even a bowl of raspberries was permitted.

But worse than these hardships was the dreadful emotional void imposed by communism. In communist countries there is no solace but communism. The churches are closed; there is no intellectual life, there is no freedom to work or to live or to think.

"Although my family wanted us to stay with them in Switzerland," Mrs. Debac said, "we felt that we must get our children as far away from the sterility and brutality of communism as it was possible. So we came to Canada."

Mrs. Debac's talk was particularly interesting to us because she talked, not politics, not the horrors of imprisonment, but the dreadful futility, hopelessness and emptiness of everyday life in communist countries, in terms of our own lives.

Mr. and Mrs. Debac, with their family, came to Whitchurch township only last fall, so her memories of Europe are still very real to her, and she made them very real to us too.

It seemed particularly appropriate that Mrs. Debac should be followed by the report of Mrs. H. A. White on the Whitchurch Community Park Penny Sale. Tickets were distributed to the members for sale throughout the community, and an interesting assortment of articles was promised. The Penny Sale will be one of the attractions of the July 17 Field Day. The proceeds — which we hope will be large — are destined for the new Township Park. On behalf of the Institute, Mrs. White also presented a small present to Mrs. H. A. Switzer, a valued member of long standing, who moves to Aurora next month.

It was decided that we should dispense with the hobby basket. Instead we should each try to raise three dollars for the treasury, by our own talents. It was decided too, that our July meeting, which is traditionally the Community Field Day, should be held on Thursday, July 17, instead of Wednesday.

Mrs. Pogue reported that she had successfully completed her canvass for the Salvation Army; and, although it was not strictly Institute business, there was a lively discussion of the chances of getting a 30 miles an hour limit on the new Vandorf highway.

The meeting adjourned after tea.

Union Street branch will meet at the home of Mrs. Stanley Shanks on Thursday evening, July 3, at 8 p.m. Motto: "Study to be quiet, and do your own business and work with your own hands." Reply, Mrs. E. Breen.

## THE Calvert SPORTS COLUMN

by Elmer Ferguson

Canada is 85 years old, come July first, and in these times when Dominion Day marks the greatest sports program, in point of variety, of the entire year in Canada, you might be inclined to think back, and wonder just what sport there was to intrigue the folks 85 years ago. In this and succeeding articles, we'll try to give you a sketchy idea.

Perhaps you figure there wasn't much sport at all when Canada was a new-born infant in 1867. Certainly there was no automobile races, no bicycle races, no organized baseball, no hockey, no football as we know it now.

But don't worry too much about the folks of 1867. Sport there was. Sport there almost always has been. Not, of course, in the organized form of today, not in the great mass participation, or the tremendous following. But sport there was, indeed, 85 years ago, and quite a good deal of it, too. There was foot-racing, track sports, harness racing, horse racing, lacrosse, curling, golf, cricket, skating, snow-shoeing, and, believe it or not, there was even world championship boxing.

There was horse racing, but, of course, with no pari-mutuel betting. America's oldest continually-run horse race, most colorful of its kind in these Dominions, was then three years old. That, is the Queen's Plate, raced at the Toronto Woodbine track last May 24, a race that in eight years' time will be 100 years old. The early records of this colorful classic are lost in antiquity. But, for the purpose it's enough to state as an established fact that there was organized horse racing in Canada, long before Confederation.

For the Quebec Queen's Plate, which had its beginnings in the reign of King William IV, was old when Confederation was new. It has endured through the reign of seven British sovereigns, kings and queens, from its foundation in 1836, and is now 116 years old. The Quebec King's Plate was first run at Three Rivers 31 years before Confederation, in 1836, staged by British soldiers, so the rather skimpy history of the race relates, and run probably on an informal track laid out through the grassy fields in the British fashion. Since then, it was raced at Quebec, Ste Hyacinthe, Sherbrooke, before becoming a permanent Montreal racing fixture.

There was lacrosse, of course, and if we were putting these sports in their consecutive order of birth, we would put lacrosse, or dip farther back, and put baggataway first. But this will keep, because everybody knows there was lacrosse back through the centuries in Canada.

But we think it might be more interesting to touch upon those sports which, perhaps, you didn't know existed when the provinces joined up. Cricket, for instance, an ancient and honorable sport. Cricket in Canada dates far back. The first international cricket match in American history was played between Canada and the United States at Montreal in 1845.

A British professional team was guaranteed \$3,750 to come to Canada in 1859, another visit was made in 1868. Cricket is still played beneath the elms of many a college campus in Canada today. But back in the days of Confederation, and before, it was one of the principal sports.

The second of this series will appear next week.

### Aurora Ladies Lose

Twenty hits plus eight official errors worked out to a 22-2 win for Mount Albert over Aurora in a Lake Simcoe Junior Ladies Softball League game at Aurora on Friday. The win was Mount Albert's fourth straight and put them solidly on top of the league.

Coaches Harold Stephenson and Tracy Barrager aren't enjoying too much success as yet—Aurora have yet to scrape up a win.

Mounties ace hurler, Marg. Green, held the Aurora ladies to four hits. Carol Taylor got two, Jackie Morgan and Margaret Barrager one each as Aurora counted single runs in fifth and sixth. Mount Albert kept the score-keeper extra busy in the third and sixth with five run up-ridings.

### Keswick Ladies

The Gord Hare coached - Jack Munday managed Keswick ladies are showing an amazing batting power this year. Solid hitting power coupled with steady pitching by Mary Sedgewick has put them in second place in the Lake Simcoe Junior Ladies Softball League.

Last Wednesday the Keswick lassies came up with a strong late hitting spree to drop Queensville 19 - 9. Grace Curtis bagged four hits, Kay Peters, Grace Peters and Mary Sedgewick three each to provide the Keswick plate power.

Alda Hall with three hits, Alma King and Marie Sills with two each paced Queensville 12-1 hit attack. Mary Sedgewick was the pitching victor over Queensville's Helen Burbidge.

### Lions Set Up League

Under the sponsorship of the King City Lions Club, a three team softball league has been formed there. Teams entered are King City, Temperanceville and Strange. Players 15 and under are eligible. All games are being played at the King City Memorial Park.

Arnold Peters has taken the coaching reins with King City and his team has forged into the league lead with a three-win, no-loss record. Wilbur Jennings is Temperanceville coach while Harold Hollingshead and Don Gillies are masterminding the Strange entrant.

Scores to date have been King City 22 Strange 8, King City 16 Temperanceville 13, Temperanceville 14 Strange 10, King City 11 Strange 5.

Future schedule is June 27, Strange vs Temperanceville; July 2, Temperanceville vs King City; July 4, Strange vs King City; July 9, Strange vs Temperanceville; July 11, King vs Strange; July 16, Temperanceville vs Strange; July 18, King vs Temperanceville; July 23, King vs Temperanceville.

### BANTAMS WIN

Supporting Jackie Brooks' classy pitching job with ten timely hits, Aurora bantams claimed a 12-8 win over Richmond Hill last week in a North York Bantam baseball league contest. Aurora had two big frames, fourth for six runs and the seventh for five runs. Bill Wray, Ray White and Bud Sutton set the hitting pace for the winners. Riseborough, Neal and Hart contributed the bulk of the Hill hitting.

TOWN LEAGUE SCHEDULE  
There's one double-header booked for July 2 but all other games will be singles, starting at 7.15 p.m., according to the latest release from the town softball league headquarters. Executive and team delegates met Friday and released the following revised schedule:

July 2, 7.15 p.m., Hoffman vs Sports-Cycle; 8.30 p.m., Thompson-Bell vs Specialty; July 7, 7.15 p.m., Specialty vs Hoffman; July 9, 7.15 p.m., Thompson-Bell vs Sports-Cycle; July 14, 7.15 p.m., Hoffman vs Thompson-Bell; July 16, 7.15 p.m., Specialty vs Sports-Cycle; July 21, 7.15 p.m., Sports-Cycle vs Hoffman; July 23, 7.15 p.m., Specialty vs Thompson-Bell; Aug. 6, 7.15 p.m., Sports-Cycle vs Thompson-Bell; Aug. 11, 7.15 p.m., Hoffman vs Specialty.

### HASHMAN AWARD

## Tickets For Two

This week, there are two Hashman award winners and Roxy Theatre pass recipients. When a ball player socks four home runs in two games, it requires immediate attention. Barbara Watt, our speedy, hard-hitting, sure catching first sacker for the senior ladies, did just that a week ago. Barbara socked two against the Air Force.

The other pair of home runs were poked out against Dorothy Miller, the Barrie ace, to win the game for Newmarket. Second winner this week is Herb Cain. Our intermediate baseball Redmen are tied for the top of the South Simcoe Baseball League. Hack's coaching, hitting and inspiration on the field has had much to do with the success of the Redmen. Incidentally, Hack will lead his hired help against Alliston at the Fair Grounds Friday. A Redman victory will shoot them into the lead.

## Ladies Snap Midland Streak

### Diggers Tumble 'Civies'

Scouting six runs home in the first round, Mickey Sutton's Ditch Diggers thundered home 15-11 winners over Civil Service Tuesday night in an Aurora Town League contest. The win increased the Diggers' lead—while the Service men dropped deeper into the cellar.

At that, the Civil Service with Bob Andrews and Wilf White added to the roster, showed better than before, giving the Diggers a scare with 5-run rally. Mickey Sutton and Ray White were the winners' powerhouse swingers. Wilf White, pitcher Charles Simper and Bill Hammond Jr. were Civil Service hit leaders.

Jack Andrews and Harry Sutton handled the umpire assignment "big league" style.

### LOSE 21-5

Erupting for ten second frame runs, Cliff Chapman's Queen City Storage (the ex-Merchants) rolled to a 21-5 win over the hapless, winless Civil Service crew in an Aurora Town League contest. Storage men sprayed base hits to every corner of the diamond.

Winners' big hitters were Lefty Phillips, Grant Winters, Andy Closs Jr., Scotty McGhee, Jimmy Emmons and Red Castle. Red Castle and Andy Closs Jr. worked in cahoots to gain the pitching verdict.

## Cycles Win First Game

Hooyay for Ray Smith. For a while, it looked as though Sport-Cycles might not win a town league contest, but on Thursday, they won 6 - 4 over Thompson-Bell. The win tightened up the town league race considerably.

The teams Thursday worked down to the seventh in a tight 3 - 3 tie. Sport-Cycles took advantage of an infield error and paired singles by Art Dobbie and Harold "Sonny" Stephenson to cash two runs. That's all they needed.

Thompson-Bell rallied in their last turn at bat with two out, Mickey Smith singled home John McTavish but Art Dobbie got Newfie O'Reilly to pop up to second sacker Jack Baldson to squelch the budding rally. Cycles deserved this one. Art Dobbie dominated the scene with a five hitter. Dobbie's mates got 9 base-knocks. Art Dobbie and Wayne Robinson sparked with two each.

Mickey Smith, moving up the batting race ladder, poked out two hits, both were good for a run, as T-B's counted single runs in the second, third, fourth and seventh.

### HOFFMAN WIN

With four runs in the lead innings and three insurance runs in the fifth, Hoffman bowled over Thompson-Bell 7 - 2 Monday at the fair grounds. A pair of walks served up by Bell's Morley Cook, a dropped outfield left, and hits by Ken Thoms and Roy Smalley sent Hoffman into the

lead and they never took a backward look. Both Bell's Cookie and Bill VanZant, the poor man's Charlie Justice, turned in creditable mound performances. Hits totaled six for the T-B, five for Hoffman. Difference was Cookie allowed Hoffman to sandwich all their hitting and run scoring into two frames. Bill VanZant spread the T-B hits thinly.

### HOFFMAN TOP LOOP

Two runs in the top of the seventh and Roy Smalley's bingle which the speedy Hoffman outfielder ran into a four baser, gave Hoffman a 4 - 2 win over Office Specialty Wednesday at the Fair Grounds. The victory also gave Hoffman first place.

Up to the seventh frame uprisings, Bill VanZant and John "Fireball" Sheddloved, Specialty ace, were hooked in a neat pitcher's duel. Both had parted with four hits.

Came the seventh. Ken Thoms beat a grounder down the third base line. Wilf Elshy miscued. Unspire Harry Thoms ruled fair. Specialty hooped and hollered foul. Game went on. Hoffman won it on Smalley's hit.

Hoffman leaped into an early 2 - 0 lead. Fred Dillman's start off triple, Bruce Townsley's run scoring single and homer provided the run scoring. Bun Cook with two, Jerry Hugo and Bruce Andrews caught up with Bill VanZant's fuzz ball in the fourth for singles.

## Vandorf Wins Their First

Vandorf and Pine Orchard won over the past week. Pine Orchard, spearheaded by Ted Timman three-hitter, romped over Belhaven 10-2. Howie Ash, Ed. Timman, Noel Ash, Andy Lloyd, Lorne and Bob Shropshire and Bill Dike contributed to Orchard's 12-hit assault. Judd Rutledge, Irwin Davidson and Geo. Davidson hit for Belhaven.

Vandorf won their first game, 12-10 over Belhaven. Dorrers collected 12 hits, five for extra bases, as they pushed home four second and five fifth frame runs. Josh Preston homered. Clem Ellas doubled and tripled. Bill Kingdon and Jack Baber tripled. Harry Lavender got two hits for Vandorf.

Merlyn Winch, Irwin Davidson, Bernard Kay and Judd Rutledge hit for Belhaven.

Behind a three-hit effort by Harold Smith, Keswick flogged Belhaven 6-2 Friday. Keswick camp were Eddie Chadwick with a homer and double, Tom Hare a homer, and Roydie Connell with two hits topped Keswick hitting. Duff Sedore two hits. Alvin Young a single chalked up Belhaven's safeties. Murray Thompson absorbed the pitching loss.

Ches. Lunney's Zephyr Blues

and Mount Albert got their first look at each other Thursday. Zephyr won 7-3 as Ron. Kester bested Ken Mitchell in the pitching duel. Both teams were set down on five hits. Clark Arnold hit two three baggers. Ken. Pickering, Johnny Meyers and Alan Locke got the other Blues' safeties. Rookie Jimmy Cupples picked up two hits. Lorne Rutledge, Ken Mitchell and pinch-hitter Hal Watts sported other Mounties hits.

Paced by Cliff Ward's three hits and Lon. Ganton's pitching, Queensville toppled Vandorf 2-1. Bun. Cook, Bob English, Jack Perry and Doug. Eves led the Queensville batting. Cab Preston with three, including a double, Jim Preston two singles, were Vandorf hitters.

Pine Orchard Willow Beach game put off from Friday to Saturday didn't materialize. It will be played later.

Scores for games June 11-17 were: Mount Albert 5, Belhaven 2; Queensville 13, Mount Albert 5; Belhaven 6, Vandorf 3; Keswick 18, Pine Orchard 3; Zephyr 18, Willow Beach 3; Pine Orchard 7, Keswick 6; Zephyr 8, Willow Beach 4; Mount Albert 20, Queensville 20.

### Aurora Splits Pair

Aurora and Brampton shared a twin-bill pee-wee and bantam baseball attraction at Brampton Saturday. Aurora pee-wees won a handy 21-12 triumph. Mundell's bantams were nosed out 4-3.

Aurora looked to have the course in pee-wee game as Brampton erupted for ten first inning runs. Aurora countered with five each in third, fourth and fifth. Paul Babcock worked two frames and Archie Smith counted 8 strike-outs in his five innings on the mound. Keith Brownling, Jim Loblaw, Wayne Spence and Hughie Hammond kept the Aurora merry-go-round spinning with solid socking.

Despite the fact Jackie Brooks claimed 15 strike-out victims, an error in the last of the seventh furnished Brampton with a 4-3 bantam win. It was a tough one to lose. Herb McKenzie, Dave Fines, Alan Childs and Bill Jans poked out the pay-off hits for Aurora. Tracy Barrager and Bob Cook handled the teams in the absence of Bill Mundell.

### Leafs Win Pennant

Leafs are pennant winners in the school pee-wee baseball league. Saturday, Leafs eased across a run in the final frame to nose out Chiefs 9-8, the pennant and a six win, no loss, season.

Tail-end Chiefs, with Brent MacNab firing gilt-edge pitches and getting hit inspiration from Bill Bellar, Bob Keffer and Peter Vale, almost upset the vaunted Leafs. Ralph Bray gained the pitching nod with Howard Brice supplying the Leafs bat spark. Cubs moved into second place dumping Royals 14-9 in a walk-jammed session. Francis Lewis spearheaded the Cubs with a triple and two doubles. Gary Campbell homered and tripled to supply the Royals extra base clubbing.

SOCCER TEAM IN ACTION  
The recently organized Newmarket soccer club is starting to get in some action. Monday they staged an exhibition game with a pick up team from the Canadian Hoffman Company. It was a 3 - 1 win for the locals with John Rendering hoofing in all three local goals. The two teams plan to stage a return game Monday at the S.S. diamond. Club officials are also trying to line up an exhibition game with Bradford for Wednesday of next week.

### Doubles Winners

Keith Davis and Ken Peever won the opening doubles round-robin tournament at the local courts on Monday evening. They defeated Bun Willis and Bruce Gould of Uxbridge 63, 75, to take top prize. Gould-Willis combination captured second place. Garnet Gray and Ross Hochberg of Uxbridge finished third.

In the ladies' division of the tournament, Joan Peppiatt and Joyce Bothwell defeated Margaret Davis and Mary Dales 6-3 to capture the top award.

Here's a special notice for the junior members of the Newmarket Tennis Club. The club will run a junior tournament. All players wishing to participate are asked to report to the tennis courts at 1 p.m. Friday, June 27.

President Keith Davis reports the membership drive is going satisfactorily. To date almost 60 members have signed up for the season.

### MINOR BASEBALL DATES

Bill "Pop" Mundell sends out the following message for the attention of the Aurora and district baseball faithful. Saturday, June 28, Brampton will be the visitors to Aurora park for a twin-bill, pee-wee and bantam baseball attraction. July 1 is Legion day in Aurora. Plans are now being completed for a pee-wee baseball tournament. Lindsay, Brampton, Newmarket and Aurora have entered. Play gets under way at 1 p.m. on both occasions.

### Organize Tennis

The organization meeting of the North York Tennis League for the 1962 season was held in Aurora last week. Four teams, Mount Albert, Aurora, Newmarket and Richmond Hill, will seek to bring home the league crown.

The following officers were elected: hon. pres., Dr. C. R. Boulding, Robert Yates, Frank Wins; pres., Frank Damp; vice-pres., Keith Davis, Keith Teetz; sec-treas., Mae Gerrow. Present plans call for league play to get underway the first week in July. "We're looking forward to a top-notch league. Mount Albert, Aurora and Richmond Hill have strengthened. They'll give Newmarket quite a battle before letting them take the crown again this year," reports one league official.

Revenge is sweet. Last Tuesday, Bing Speck, Beeton fireball ace, tamed Redmen on four hits as Beeton spilled the Robinson-Cain platoon 4-1. Beeton were visitors here Friday. And that's where the revenge pitch comes in. Redmen waded into Mr. Bing for five runs in the fifth—and from there coasted into a 12-7 triumph.

That five-run rally got Bing to the showers—and brought on Earl Hill—he was duck soup to our swingers—they went for Hillie hook, line and sinker for four runs in the sixth to build their count into two figures. Teams traded three-run first innings. Ortie Thoms, Hack Cain's pitching nominee, wasn't having any bed of roses. Beeton clipped the Thoms' specials for 10 hits—that was two more than the Redmen managed. Ortie was stingy in the tight spots, however, and that's what got him through.

Jerry Hugo, short-stopping big league style, was our big noise at the dish, boasting a three for four mark. Hot pursuiter in this phase was Don. Gibson with

two solid blows. Redmen cropped the usual run of fielding gems—double play engineered by keystone combination Jerry Hugo to Wayne Robinson to Stan. Winger, stood the fans on their ears. It was one for the books.

ALLISTON HERE FRIDAY  
Alliston Redsox will be the visitors to the fair grounds Friday for a South Simcoe hardball contest. Game time is 7 p.m.

Alliston and Hack Cain's Redmen are fighting tooth and nail for the league lead—the two strong teams are tied for first place at the moment. A Redmen victory will shoot them out in front. Tuesday evening the Redmen collected their eighth win of the season as Ken Broughton stopped Everette Maple Leafs on five hits as Redmen recorded a 8-3 victory over the Leafs.

All the Redmen wore their hitting shoes, managing at least a hit apiece. Top honors in this department were shared by Jimmy Cook and Don. "Spider" Gibson.

Bantams Drop Sutton  
Trailing 10 - 6 going into the last innings, Frank Hollingsworth's Newmarket Optimist bantams astonished their heartiest supporters with a 6-run rally atop the seventh to win a 12 - 10 argument with Sutton in a North York Bantam Baseball League contest.

The victory extended the Optimists' winning streak to six games and strengthened their hold on first place in the league. Don Zogala, Bill Cain, Pat Ewing and Jack Cain put the "oomph" in the Optimists' 10-hit attack.

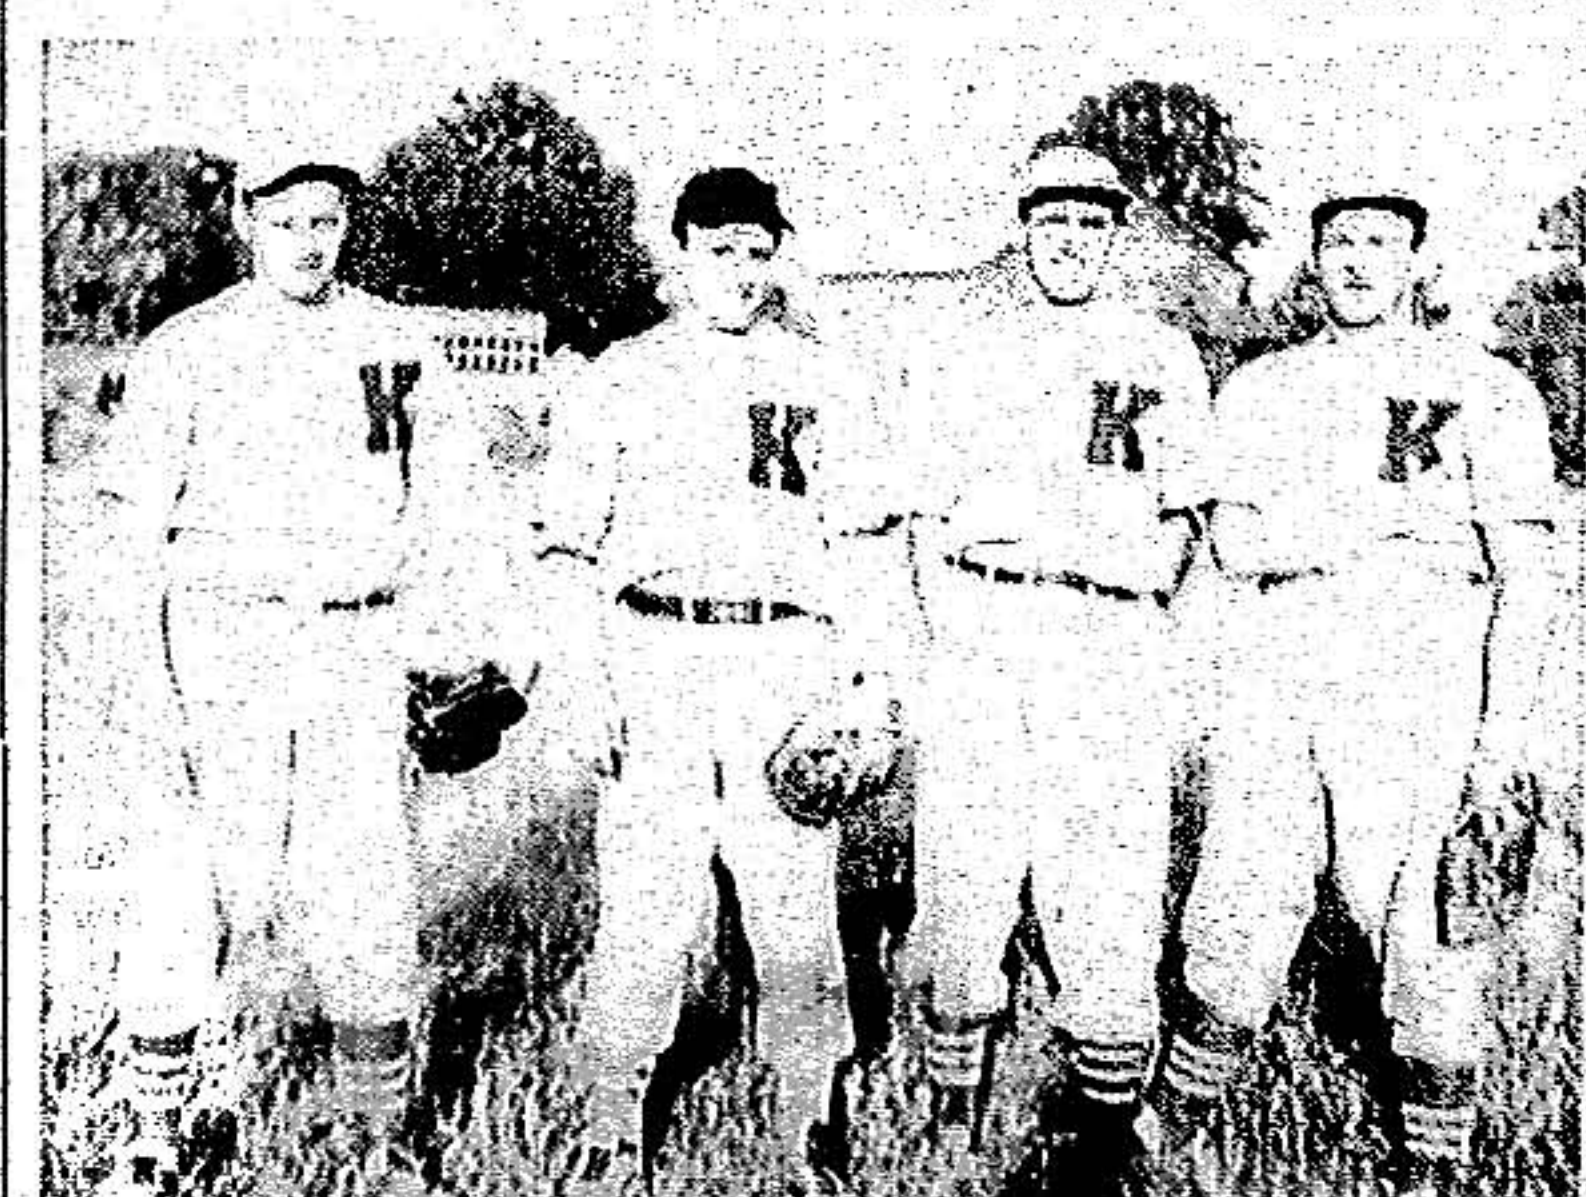

Herb Walker tripled with the bases crammed. Rudy Big Canoe's three for three batting effort and Mike Gillan's three singles highlighted Sutton's early lead.

Jack Cain opened on the Optimists' hilltop, accepting help from Don Thoms in the fourth who in turn gave way to Don Zogala in the seventh. Southpaw Mike Gillan went the route for the John Leatroyd coached Suttonites.

MIDGETS LOSE FIRST  
Bill Mundell's red hot Legion midgets suffered their first loss of the season last week dropping a 6 - 3 decision to Richmond Hill. Richmond Hill fans shouted home four runs in the fifth to lay the foundation for the Aurora's first defeat.

Geo. Kiroff whiffed ten hitters in the pitching bout with Red Hart. Ron Knowles, Stew Wilson, Grant Edwards and John Dunn kept Aurora topside in the early rounds with timely clubbing. Lloyd Grainger and Red Hart collected big chunk of the Hill safeties.

Keswick may or may not capture Lake Simcoe Softball League title. If they do, the smooth working inner picket line will have much to do with it. Eddie Chadwick and Ron Rowe are first year men - Royden Connell and Bob Pollock are veterans of many South Simcoe league seasons. L. to r., Eddie Chadwick, third base; Ron Rowe, short stop; Royden Connell, second base; Bob Pollock, first base.

## Old Council And Arena Board Took No Steps To Get Grants Inaction Puzzled Dept. Head

Some time ago in Aurora News Page Mr. T. F. Swindle drew attention to the fact that a grant of \$5,000 could have been obtained for the Aurora Memorial Arena from the Agricultural department of the provincial government. He stated that an application form had been filled up but that nothing had been done about it by the 1951 council and the old Arena board.

Councillor Jim Murray raised this matter in council several weeks ago. On enquiring from him the other day if there was anything to report on this important matter he surprised us by saying that there was. He told us of his experience at the parliament buildings.

He stated that last week when he was there in connection with the Yonge street highway he took the opportunity of interviewing one of the heads of the department of agriculture. The interview proved very profitable and informing.

### Community Grant

Acting on behalf of council and the Arena board, Councillor Murray pointed out that no grant to Aurora had yet been made. In reply he received the assurance that in all likelihood the \$5,000 grant would now be secured. Further, if it could be shown that the arena was also providing a community service a further grant of \$5,000 would be considered.

In the new building a large room has been provided for community services. Such a service is distinct from arena activities and it would appear that this meets the requirements under which the special grant is allowed.

If, therefore, it can be shown that the necessary conditions have been met, Aurora may benefit to the extent of an extra \$5,000 grant.

### Surprise Expressed

Mr. Murray informed us that the head of the department expressed very great surprise at the long delay in applying for the grants, saying that he "had wondered again and again why no application had been made by Aurora for grants that other communities had received."

Councillor Murray told the department head that "Aurora would be very grateful if the grants could be made." In reply to this he was told that "now the matter had been brought to the attention of the department Aurora would receive every consideration," and was again reminded that it was not the fault of the department that Aurora had not received the grant, for no application had ever been made for it.

It is an ironic coincidence that the present situation should arise at a time when members of the Arena board are protesting the charge that they are an "inactive board." Will they now suggest that their failure to press for the above grants by taking action to obtain them, is proof of their activity?

Mr. Murray is a new member of the Arena board. He, at least, can scarcely be accused of inactivity!

### Grant Received

A meeting of the Recreation Commission, under the chairmanship of Mr. Don Glass, was held on Thursday evening, June 19. Among the correspondence read was a letter from the Community Program branch of the department of education enclosing a cheque for the annual grant which this year amounted to \$2,300.

On a motion by Councillor Corbett, seconded by Councillor Murray, it was ordered that the letter be filed after an expression of appreciation had been tendered by the secretary for the grant received.

Recreation director, P. E. Perryment, gave a report on playground, swimming, baseball, and the new teen-agers' club and other activities.

Discussing the report, which was unanimously adopted, Mr. John Offord took occasion to emphasize an opinion that no preferential distinctions should be shown in a selection of members for the teen-agers' club. Mr. Offord expressed the fear shared by some people that admission to the club might not be democratic enough, and he hoped that there were no grounds for such a fear. Other members of the commission supported the views of Mr. Offord.

### Wading Pool Fund

It was stated that the ballet recital given at the Lions Hall by the pupils of Mrs. J. W. Landen had realized about \$30. The recital had been arranged at very short notice and the only advertising possible under the circumstances was by sound truck.

The whole of the proceeds had been turned over to the Wading Pool fund, in care of the Recreation commission, and it was unanimously resolved that a letter of thanks be sent to Mrs.

Landen for her kindness in providing the recital.

Other activities mentioned in reports was the provision of a horseshoe tournament, suggested by the recreation director, and a verbal report by Councillor Murray on playgrounds.

Mr. Offord informed the commission that the Saturday night dances were terminating for the season. He said that discipline had been very satisfactory. He expressed the thanks of the commission to supporters of the dances and to the orchestra. Mr. Offord also paid tribute to the voluntary work done by Councillor Corbett for the commission, which had saved costs.

Mr. Stoltz Resigns

The resignation of Mr. Ab. Stoltz was received with regret. It was pointed out that Mr. Stoltz was keenly interested in commission work but that his frequent absences from town for business reasons left him few opportunities regularly to attend meetings.

Mr. J. E. Buchanan drew attention to the need of preparing plans for the fall activities and thought that greater use could be made of their engagement of the Lions Hall.

The meeting adjourned at 10 p.m.

### Legion Sports

On the evening of Monday, June 30, and all day on Tuesday, July 1, which is Dominion Day, the Aurora branch (385) of the Canadian Legion will be providing a great variety of entertainment in the town park. This will be the local Legion's seventh annual frolic and sports' event.

On Monday night the famous Maher's broadcast, "Double or Nothing," will be made from the Armouries. Admission is free. The doors will be open at 7.15 p.m. and it will be necessary for everyone to be in their seats as early as possible as the doors will be closed at 7.50. This event will be followed by a dance from 9.30 p.m. to 1 a.m. Max Boag's orchestra will provide the music.

On Tuesday, from 9 a.m. to 1 o'clock there will be a "Hayseed Hoedown." There will be square dancing and a variety of sports from 10 a.m. till dark. There will be a Pee-Wee baseball tournament for the Legion trophy.

An outstanding event will be the softball contest: NHL All-Stars vs North York All-Stars at 4 p.m. Fans will have an opportunity of seeing the "stars" in action.

If, as we hope, fine weather favors these events, great crowds will enjoy themselves in the town park on Monday night, June 30, and on July 1. The proceeds will go to the Aurora Legion Memorial fund.

### Our Lady of Grace

As early as 5 p.m. large numbers of people gathered in the grounds of Our Lady of Grace church on Saturday, June 21, for the annual garden party. The weather was fine and dining tables were tastefully set out. We understand that as many as 500 tickets were sold for the occasion.

After dark the grounds were brilliantly lighted and the event proved successful in every way.

### Bigwin Inn Convention

Over 70 members of the Aurora public school choir, under the conductorship of Mr. Illyd Harris, journeyed by bus on Sunday, June 22, to the Bigwin Inn school trustees' convention. A number of adult visitors from Aurora were present and we hear that the choir performed magnificently and that everything proved most successful.

It was this choir which was selected by the B.B.C. to represent Canadian school singing on the late King's Christmas broadcast of 1951. Such a choice for such an occasion was a very great honor for Mr. Harris and his choir.

At the foregoing convention some members of the St. Catharines board of education expressed a wish that Mr. Harris might agree to present his choir in one of the Canadian Artists' series of concerts during the winter programs.

We have been pleased to hear several tributes paid to the very fine pictures of the public school choir which appeared on Aurora News Page last week. It was taken by Mr. H. Mannik of the Aurora Photo studio. The quality of the photograph was fully brought out by the excellent engraving work done on it.

Mr. Mannik achieved some prize-winning photographs of the Aurora Horse Show. Incidentally, Aurora News Page gave a complete list of the horse show results for the benefits of entrants and readers. It was the only newspaper which provided this complete service.

### SIDEWALK GOSSIP

At this writing there is still no report on the closed meetings that have taken place on the arena problems. At the council meeting on Monday night, June 16, it was revealed that a report had been prepared. It is understood that the report was prepared jointly by Mr. W. H. Stoddart and Councillor Tucker. The latter is a council representative on the arena board.

It was also made quite clear that Mayor Rose was not in agreement with the report as a whole. So much so that he would not sign it in its present form. In these circumstances a further closed meeting was held after the regular meeting of council was adjourned. Since then nothing has happened for public information. Sidewalk gossip has it that other members of council supported the Mayor's rejection of the report.

Arena problems are shaping up as the most controversial in this year's council affairs. The strong attacks made on the condition of the arena by Mayor Rose and Councillors Corbett and Murray have profoundly stirred public interest. Our own inspection of the arena, described in Aurora News Page in our issue of May 29, fully corroborated all that had been charged against the condition of the building.

There is still much that we can add to the arena subject, especially in regard to its unsatisfactory administration. We had hoped to see a report that would have promised better things for the future. But no such report is at present to hand. This delay is further proof of our repeated contention that closed meetings are not in the public interest.

In place of a report there is only sidewalk gossip. Gossip is the unpleasant but inevitable outcome of closed meetings.

### YONGE ST. HIGHWAY

The portion of Yonge street controlled by the municipality of Aurora extends south from Billings' Well north to St. Andrew's college. Even so the provincial department of highways has been taking care of sections extending from St. Andrew's college to Mark street and from Billings' Well to a point adjacent to the property occupied by the Shell company.

For years past the subject of the highway has provided council with a perennial but abortive topic of discussion. There has been talk but no action. There has been dawdling but no decision. Now, a decision will be made on whether or not the highway is to be turned over to the province. The decision will be made by council.

In some parts the highway is in a very serious condition, especially the portion extending from Catherine to Maple streets. At both points notices have appeared for many weeks warning "CAUTION BROKEN ROAD". Some spots suggest small craters that have undergone hasty repairs.

Councillor Jim Murray deserves commendation for the prompt action he took in propelling matters towards a decision by council.

### WHAT WE HEAR

We would hate to be looked on as a prig or a censor of other people's private affairs. It is enough for us to look after ourself. Yet there are certain things that we hear that we wish we did not hear. Oaths and blasphemies uttered on the streets by youngsters are among the things that we wish we did not hear.

Perhaps because of the strict puritan upbringing which was ours we shrink from blasphemous expressions. When we hear the names of Christ and Jesus used as expletives we experience an unpleasant sensation in our spine. To hear little children swearing sounds terrible to us. A beautiful healthy child of a few years only using curse-words on the streets appals us.

Hardly a day passes without our hearing these things. Sometimes what we hear are worse; obscene words and expressions associated with the latrine. Where do the children learn these things? Whom are they copying in their innocence. Small wonder their matured vocabularies are painfully limited and often foul.

We have heard men who should know better use such expressions. Sometimes we have been held enough to tell them they should know better. The English language is so full of beautiful words that there is no need to extend it; especially to foul it by the atmosphere of the cesspool.

The children will grow up. They are the citizens of tomorrow. Is it too much to hope that we may rear them in a clean and wholesome air? Too much to hope that obscenities may be kept from their hearing while they are still young and impressionable? Or must they excuse themselves by saying "Daddy uses those words". Or alas, in some instances, "Mammy talks like that".

As the twig is bent so shall the tree grow.

### COUNCIL SIDELIGHTS

## A Plentiful Crop Of Rumours Stem From Closed Meetings: Murray's Fast Action

The dramatic part of council session of June 16 came near its close. Deputy-revee Murray asked about a report that had been promised on the closed meeting between the arena board and council and had not appeared. The reply from Mayor Rose indicated differences of opinion on the wording of the report and a further closed meeting of council thereupon followed.

Since then rumors have arisen thick and fast. Apparently there have been leakages of information from the supposedly closed meetings. In no other way could certain assertions be bruited around. It has even been said that the mayor might resign.

Mayor Rose is the last man, we imagine, who would resign because difficulties had arisen. He is a stout fighter when he is convinced that the course he has taken is the right one. Why should he resign? If he did, please some people if he did. But we don't think he would ever oblige his opponents by quitting the scene of action at a time when his presence is most needed.

What we are waiting for now is the promised report on the closed meeting between the arena board and council. That meeting took place on June 9. There might even be two reports: a majority and a minority report. This is a reasonable assumption, for had there been agreement a report should have been made public immediately.

Out of all this conjecture and rumor one fact emerges clearly. That fact is that closed meetings are essentially bad in the public interest. If the press had been admitted to the joint meeting on June 9 the public would have had an immediate report. Guessing and rumor could not have flourished.

Petitions

Residents on Tyler street, R. E. Johnson, J. Beattie and R. D. Moddle, petitioned for sewers. A similar petition came from Hillview Road, being signed by George Ward, W. E. Kinnear, Mrs. H. H. Hoffman, Joseph Cave, N. J. Wright, John W. Bowser, Wm. G. Milgate, Mrs. Leonard Feren, Clarence Dowling, Bruce B. Browning and J. R. Gundy.

Sanitary and storm sewers were petitioned for by E. J. Henderson, C. R. Boulding, N. Sonutovich, J. P. Crysdale, W. J. Standish, E. H. Stoltz and T. Dann.

Deputy-Reeve Murray stated that the town engineer was preparing plans which included Tyler street sewers.

Councillor Jim Murray asked if some information could be given the petitioners on the likely date when the work would be undertaken, and on this he was informed that it was hoped to have a by-law ready for the council meeting on July 7. The Hillview Road petitioners were likewise advised that similar arrangements were underway concerning their petition.

Regarding the petition from Kennedy street west, presented by Dr. Henderson and Dr. Boulding, Mayor Rose stated that a by-law would be prepared to cover the work after consultation with Mr. Redfern, the town engineer.

Summery Touch

The town foreman, Jim Goulding, brought a summery touch to council when he appeared as a one-man delegation garbed in shirt, pants, braces and slippers, and also wearing the sophisticated smile which has served him when meeting the town fathers over a long period of years.

Like Tennyson's brook, mayors and councillors may come, and they may go, but Chief Goulding goes on forever! If he ever retires he should write a book entitled: "The Times I had with Councils".

In the meantime Mr. Goulding was there in person to say that something had gone wrong at the Disposal plant, which had received some "alien material". Invaded the sewers and damaged the plant plates. Town foreman Goulding made his petition with a smile and all was well. One hundred and twelve new plates were authorized to be purchased and the conundrum of the alien chemicals is to be solved by town engineer, Mr. Redfern.

Major Undertaking

The major undertaking of the session was the proposal approved by council for a quarter of a million gallon reservoir at an approximate cost of \$30,000. Victor Jones is chairman of the Fire and Water committee, and the two other members are Councillor Jim Murray and Reeve Cook. Tenders are now in process of being advertised for.

### BIGWIN INN CONVENTION

## Recreation Director Writes Impressions Of P. S. Choir: "Credit To Town Of Aurora"

By P. E. Perryment

Visited Bigwin Inn, Lake of Bays, over the weekend and had the pleasure of hearing the Aurora Public School Choir sing to the representatives of Ontario, Urban, City and Rural School Trustees' Convention and their wives. The choir sang at the opening banquet in the round room with close to 500 delegates and visitors from all parts of the world who are staying at Bigwin. The singers also sang for the vespers service in the evening to a capacity audience.

Aurora should be justly proud of the Aurora Public School Choir under the direction of Mr. I. Harris and the good work he has done, to present a program unequalled to this listener's ears, in sweetness, harmony and depth, such as touched the hearts of many who were present in the audience. Not only was their singing a treat to listen to, their behavior as young boys and girls was a credit to the town of Aurora.

My impression as a visitor made me feel proud to be associated with Aurora and its fine young people. The 80 children

travelled to the lake by chartered buses and then by launch. It was an experience they will long remember and one that will enrich their lives and cultural tastes.

Many comments were heard from delegates from different sections of Ontario who expressed themselves by saying what a beautiful and inspiring program it had been, and that courtesy and good behavior had been evident from the boys and girls throughout the day and evening.

Following the program, Mr. Harris and choir were surrounded by many of the audience who came to offer their congratulations. A great deal of praise should go to Mr. and Mrs. Babcock for their patience and guiding leadership in looking after the interests of every youngster, which was a great responsibility, and to Mr. Illyd Harris and Mrs. Harris, who had the full responsibility of the program arrangements and the many details for such a successful venture.

"No garret for me!"

"Time was when people used to joke about the typical artist who starved in a garret. Today those jokes have a hollow ring."

"Look around and you'll see lots of commercial artists like me making a very good living, thank you. I own my own home. Have a pretty good car. Everything's going my way. And yet..."

"There'll come a day, years from now, when I'll want to start taking it easy. What will happen then? Will the garret get me?"

"No sir! I've got things worked out so that I can go right on living comfortably. It won't

be long before old folks will be paid some kind of benefits. And I'll be glad to get that help when my turn comes—just like everybody else. But I'll have to add to that income with my own life insurance."

"That way, I'll be able to live a care-free independent life later on. And my family is being protected with that same life insurance from now till the day I retire."

## Aurora Social News

"Little Helpers" of the Women's Association of the Anglican Church, accompanied by their mothers, held their annual party at the Parish Hall on Tuesday afternoon, June 17. There were 25 mothers and 40 children present. The collection from the mite boxes, which amounted to \$19, will be used for missionaries among children in Canada and abroad. The superintendent, Mrs. J. F. Willis, welcomed the mothers and after a short program the ladies served ice cream and cookies to the children.

Mr. and Mrs. Geo. Pattenden and Mr. and Mrs. Don Egan attended the graduation exercises of their cousin, Miss Helen O'Neill, at the East General hospital on Saturday, June 14.

There will be mixed bowling every Tuesday night at the bowling green. Anyone interested in this fine sport is asked to get in touch with Mrs. Irwin Watt.

Misses Jean Willson and Nora Knowles left on Monday for Port Severn where they will be employed for the summer at Severn Lodge.

The Aurora Public School Choir, under the direction of Mr. Illyd Harris, were guests on Sunday at Bigwin Inn.

Miss Jolyne Doolittle and Miss Marion Kelly entertained at a miscellaneous shower in honor of Miss Florence Bell on Monday evening.

Miss Dillon, a former resident of Aurora, has been visiting her sister, Mrs. Patterson, Maple St., for the past week.

The United Church Choir held its annual picnic at the home of Mrs. Lambert Willson on Thursday afternoon.

### COUNCIL SIDELIGHTS

(Continued from Page 11)

After considerable discussion it was resolved that a delegation should try and contact the provincial member of parliament with a view to a meeting with the deputy minister of highways to get clarification on the whole matter. Reeve Cook suggested that the mayor and members of the Streets committee should compose the delegation. The deputy-revee and Councillor Jim Murray agreed to approach the member with a view to meeting the deputy-minister. Quick Action

Following the resolution of council, Councillor Jim Murray took immediate action on the matter. He phoned to Mr. A. MacKenzie, M.P.P., on Tuesday morning, June 17. The member informed him that an appointment would be made with the deputy-minister for Thursday morning, June 19, at 11 a.m. This was confirmed by letter the following morning.

Mayor Rose was called to an accident case on Thursday morning, June 19, and could not accompany Mr. Murray to parliament buildings. The date being inconvenient for Deputy-Reeve Murray it was arranged that town foreman, Jim Goulding, should attend with Councillor Murray. They saw the deputy-minister of highways, Mr. J. D. Millar.

The deputy-minister arranged that an engineer should make an inspection of the highway on the following afternoon, June 20. This arrangement was duly carried out. It now remains for council to study the report of the provincial engineer and a report from the town engineer, Mr. Redfern.

Delays, they say, are dangerous. Councillor Jim Murray cannot be accused of delay. Council decided on June 16 to seek an interview with the deputy-minister. Some members were of the opinion that it would be a long job. By Friday, June 20, not only the interview but the road inspection had been completed.

Mr. Murray did not commit himself at council to vote for the taking over of the road. In fact he expressed himself as opposed. But he wanted more information on which to make a final decision.

## Temperanceville

On Monday, June 16, a group of community residents numbering approximately 130, travelled by bus and car to Woodland Park where the joint school, Sunday school, W.I. and church picnic was held. Despite the somewhat unfavorable weather, the spirit of the picnic was undampened and a most enjoyable day was reported by all. Many of the children braved the cool winds and had fun bathing. Of course races for all the children had keen competition. Those taking part in the honey-moon race supplied plenty of laughter for the onlookers, as did the sack race. Everyone took part in trying to find the mystery person. The ladies participated in the shoe kicking and nail driving competitions, both of which brought shrieks of laughter.

The men enjoyed a race carrying a bean on a spoon, a somewhat difficult task. The picnic lunch was a scrumptious repast with ice cream as a special treat.

Although Snowball won the award for the largest number of prizes in the women's section of the Aurora horse show, Temperanceville had a very fine showing and these ladies had the honor of winning some of the prizes: Mrs. Maurice Beynon, first for white bread, second in brown bread; Mrs. Jos. Levison won the following: first date loaf, first lemon sponge pie, second pumpkin pie, second fruit bread. Miss Margaret Beynon won the Ardill's nylons for the junior girls' special. Her prizes were: first woolen skirt, second apron, first cake, first biscuits, first cookies, second, raisin pie.

The Homemakers' club of Temperanceville received second prize for their display of cotton and for their bouquet for a dining room table.

Mrs. Nelson Thompson won second for smoked dress, second lemon sponge pie, second Parker House rolls, second orange-raisin cake. Mrs. Clayton Beynon won second for baking powder biscuits and first for cheese biscuits. Mrs. Everett Phillips received the special prize, a silver rose bowl for first on her honey chocolate cake and the special, a china cake plate, for the second prize on chocolate cake. Mrs. Phillips also received second on cheese biscuits and second on chocolate fudge.

On Friday, June 20, another dance was held by the Women's Institute in the new barn at the John Macklin residence. An evening of grand entertainment was enjoyed by all. Appreciation is extended to the Macklins for their kind hospitality.

On June 19, some 20 pupils gathered at the school in Temperanceville to take part in the painting of the fence posts. A fine job was completed after which the busy bees enjoyed a treat of ice cream. This work was supervised by Mrs. Gordon Baldwin and some of the parents.

The W.A. and W.M.S. meeting was held at Temperanceville church on June 20. Mrs. M. E. McClure acted as hostess. A

MONTREAL—It's a rare day in June when a tempting home-made cake doesn't bring whoops of glee from the family. And it's a rare cake indeed that isn't delicate, tender and moist if it's made with SWANS DOWN CAKE FLOUR. M-m-m, swans down cakes make the good man really sit up and take notice—and in a typical male way, pat himself on the back for his choice of a wife. Because, you know, men love Swans Down cakes—and the girls who bake them. Swans Down Cake Flour is especially made for better cake baking. It's sifted and resifted until 27 times as fine as ordinary flour.

Ever Have The Insecure Feeling that your money starts to sprout wings as soon as you get it—that it doesn't want to linger in that Savings Account nest until it grows big enough to go as far as you want it to? I've known that feeling often these last few years, but I've been fortunate enough to find a way to cure it! You just clip the wings of a few dollars each payday. How? Well, there's no great trick to it, even though so many prices are still high. It's a matter of approaching your money in the right way—before it can take off! And the "right way" is the Personal Planning way. This BANK OF MONTREAL's personalized-finance system keeps those fly-away dollars earthbound where they will do you the most good. Ask at your neighbourhood branch of the B of M for your free copy of the booklet "PERSONAL PLANNING". Why not drop in today? You'll be really saving all the sooner!

It's No Fun to suffer the agonies of painful corns. That's why Phenylum is such good news. Phenylum is the new wonder-ingredient in BLUE-JAY Corn and Callus Plasters...and, believe me, it does work wonders to give relief from corns and calluses! It took ten years of scientific research by Blue-Jay to develop Phenylum. And now they've perfected it to the point where it works 83% faster and is effective in 95% of the cases tested. I can vouch for its effectiveness, too. No more worries about corns or calluses...I just rely on Blue-Jay Corn Plasters with Phenylum to keep my feet happy—always.

Now That Those Tempting Summer Fruits have come on the scene—in the markets and perhaps too in your own garden—you'll be making delicious jams and jellies that the family love. Of course you want them to be perfectly set and full of fresh fruit flavour...so be sure you get CERTO FRUIT PECTIN on hand. It's so easy to make jams and jellies with Certo. All you do is follow the simple instructions in the recipe booklet under the label of each Certo bottle. You'll find, with Certo, that you get up to 50% more jam or jelly from the same amount of fruit! What's more, Certo helps you do your "jam-ing and jelly-ing" in about one-third of the time of the old, long-boil method. How come? Well, you see, Certo is the natural jellying substance of fruits, in concentrated form. So when you use Certo, instead of boiling down your fruit mixture until it's sufficiently concentrated to set, you simply add Certo and reduce boiling time to just 1 minute for either jams or jellies. And just think how that preserves the colour and flavour! No matter what your favourite fruits—strawberry, raspberry, plum or cherry—jams and jellies have a deeper, more satisfying appeal when you make them yourself—with Certo Fruit Pectin.

## Weddings

### EDWARDS-MARRITT

In Keswick United church, with Rev. George Campbell and Rev. Gordon Winch officiating, the marriage took place of Mary Jean, daughter of Mr. and Mrs. Frank F. Marritt of Keswick, to Mr. John Edwards of Kingston, son of Dr. and Mrs. J. C. R. Edwards of Newmarket.

The bride wore a graceful gown of white net over white taffeta, fashioned with fitted bodice, bouffant skirt and lace bolero. Her finger-tip veil was held by a half-hat fastened with seed pearls, and her flowers were white roses, sweet peas and stephanotis. Given in marriage by her father, she was attended by FIL-Lieut. Beth Marritt, maid of honor; Mrs. Rex Sedore, sister of bride; Miss Jane Edwards, sister of the groom; and little Miss Patty Marritt, niece of the bride, flower girl, who was frocked in white nylon. The older attendants chose mauve net over mauve taffeta, their dresses made with fitted bodices, bouffant skirts and net capes. All wore bandeaux to match their bouquets of pink roses and mauve sweet peas. Mr. William Hill of Toronto was best man, and the ushers were Mr. Richard Edwards and Mr. Edwin Marritt.

Wedding music was played by Mrs. Angus Cowieson and six Keswick girls sang two appropriate selections.

The reception was at the Royal Simcoe Hotel, Keswick. The bride and groom will live in Kingston.

### TIMBERS-STEVENSON

Aurora United church was nicely decorated with spring flowers on June 7, when Marion Leona Stevenson, daughter of Mr. and Mrs. Stanley Stevenson, became the bride of Mr. Howard Edwin Timbers, son of Mr. and Mrs. Gordon Timbers, in a double ring ceremony.

Rev. H. Howey officiated. Mrs. Grant Morley sang "The Lord's Prayer" and "O Perfect Love", with Mr. I. Harris at the organ.

The bride, given in marriage by her father, wore a white satin gown with a scalloped neckline and a rhinestone in each scallop. The veil was floor length and she carried a bouquet of red roses.

Mrs. Bert Hunt was matron of honor and wore yellow taffeta. Mrs. Chesley Curl and Miss Grace Stevenson, bridesmaids, wore orchid taffeta. Miss Darlene Timbers as junior bridesmaid and Carol Stevenson as flower girl, wore turquoise taffeta. All had matching hats and carried nosegays.

Mr. Carl Timbers was his brother's best man and Carman Stevenson, Merle and Paul Timbers were ushers.

The reception was held at the Graystones, where the bride's mother received in navy sheer with pink accessories, and the groom's mother in navy with red accessories.

For travelling to Ottawa and other points east, the bride wore a blue gabardine suit with white accessories.

They will live in Aurora.

### JOHNSTON-BOEHM

Decorated artistically with pink and white poeities, St. Andrew's Anglican church, Grimsby, was the scene of a beautiful wedding on Saturday afternoon, June 14, as Barbara Anne Boehm, daughter of Mrs. Boehm and the late William Ralph Boehm, was united in marriage to Dr. Eric Blandford Johnston, son of Mrs. Eric Johnston of King, and the late Dr. Eric B. Johnston, in a ceremony performed by Rev. A. E. Brooks.

Given away by her brother, Ralph Medland Boehm, the bride chose a gown of snowdrift Chantilly lace and tulle over taffeta with portrait neckline. The bouffant skirt fell into a circular train. Her chapel-length veil of tulle illusion was caught by a small brim of tulle, trimmed with seed pearls and lily of the valley and fleur d'amour.

Mrs. Ralph M. Boehm, Grimsby, Mrs. John Neil, Toronto, and Mrs. John Milks, Montreal, attended wearing similar gowns of petal pink nylon with winger pannier skirts and embroidered bodice. They wore flared head-dresses of pink tulle trimmed with flowers, matching their cascade bouquets of rapture roses and bouganvillia.

The groomsmen was Peter Shenstone, Geoffrey W. Smith, Donald Vokes, John Neil, Toronto, and Graceme Ferrier of Mimico, were ushers.

Mrs. D. McIntosh was organist and the soloist was Mrs. Gordon Hadler, singing the Twenty-third Psalm and "O Perfect Love".

The reception was held at Casa Blanca, Lake Ontario, where 200 guests were received by the bride's mother, attired in a violet crepe gown with lace bodice and petal pink hat and matching accessories. The groom's mother assisted, wearing melon pink shantung and black accessories. Both wore orchid corsages.

The bride's travelling costume was a pink orchid suit with matching French hat, natural shade accessories and corsage of roses. The honeymoon trip was

taken to Virginia Beach, Va.

The couple will reside at 699 Eglinton Ave. West, Toronto.

### HETLAND-PROCTOR

Rev. F. Breckon officiated at an evening ceremony in the Christian Baptist church, Newmarket, at the marriage of Miss Doris E. Proctor, daughter of Mr. and Mrs. Fred S. Proctor of Newmarket, to Mr. Forrest M. Hetland, son of Mr. and Mrs. Joseph Hetland of Saskatoon.

Given in marriage by her father, the bride chose a full-skirted gown of Swiss embroidered eyelet, with a basque bodice and puffed sleeves. She wore a matching Juliet headdress and carried orchids.

Miss Laura M. Pletch of Teeswater was bridesmaid, gowning in an ankle-length frock of aquamarine net. She wore a flowered headdress and carried a cascade of yellow roses. Mr. Earl Ponath of Naicome, Saskatchewan was groomsmen, and the ushers were Mr. Ross Proctor, brother of the bride, and Mr. Allan Buchanan.

The reception was held at the home of the bride's parents, Mr. and Mrs. Hetland will live in Naicome, Saskatchewan.

### MARCHANT-WALKER

On June 14, 1952, at Trinity United church, Marilyn Walker, daughter of Mr. and Mrs. J. B. Walker of 34 Park Ave., Newmarket, became the bride of Donald Marchant, son of Mr. and Mrs. Vic Marchant, Schomberg.

Rev. M. J. Aiken performed the ceremony. Mr. H. Fowler was organist and Mrs. S. J. Walker, sister-in-law of the bride, was soloist.

The bride, given in marriage by her father, was gowning in Chantilly lace and wore a shoulder-length veil of tulle illusion and carried a bouquet of red roses and stephanotis.

Norene Walker was her sister's attendant, wearing orchid net over taffeta with a head-dress of yellow roses and white carnations and carried a nosegay of the same.

The flower girl, Cheryl Younger, wore yellow taffeta and her head-dress was of yellow taffeta and lilacs.

The groom's brother, Douglas Marchant, was best man and Ross Moody and Robert Walker were ushers.

The reception was held at Riverview Inn, Bradford, where Mrs. Walker received in a navy acetate and nylon dress with navy and white accessories and a corsage of pink and white carnations. Mrs. Marchant assisted, wearing rose crepe with white accessories and a corsage of blue carnations.

For travelling to the Laurentians and other eastern points, the bride chose a twilight blue linen dressmaker suit, over which she wore an aqua blue gabardine fitted coat, a matching hat and corsage of pink roses.

Guests who came from a distance were Mr. and Mrs. T. B. Walker, Timmins, Mr. and Mrs. Wm. Colbert, Mr. and Mrs. E. Colbert, Ottawa, Miss Bess Price, London, Ont., also other guests from Orillia, Toronto, Weston and Schomberg.

On their return, Mr. and Mrs. Marchant will reside in Schomberg.

### JENNERS-NEWTON

Trinity United church, Newmarket, was the setting for the marriage of Norah June, daughter of Mr. and Mrs. William Newton, to Mr. John Francis Jenners, son of Mr. and Mrs. Jenners of Toronto. Rev. Aiken officiated.

Mr. William Newton gave his daughter in marriage. She wore a heavy satin and French lace dress and her veil fell from a tiny coronet of seed pearls. She wore a strand of pearls and carried red roses.

Miss Margaret Newton of Toronto was bridesmaid for her sister. She wore blue nylon and lace and carried yellow roses and stephanotis.

Mr. Otter Yellowson of Toronto was best man, and the ushers were Mr. William Newton, brother of the bride, and Mr. Jim Harris.

The reception was held at the home of the bride where the bride's mother received in a green nylon dress with white accessories and the groom's mother in blue with black accessories.

The bride and groom will live in King.

## KING COMPLAINS OF OVER-CHARGE ON FARM FIRE

A bill for \$93 sent from Newmarket to King township for fire protection services was sent back with a letter saying some over-charging had been done.

In a letter to the council, King said that its agreements with all neighboring fire brigades called for a payment of \$50 for the first two hours and \$10 an hour thereafter.

The account in question, sent to King after a fire at Glenville Farms, should have been only \$60, the letter said.

## FRIENDS MEET AT PICKERING COLLEGE FOR 4-DAY SESSION

The Canada Yearly Meeting (Five Years Meeting), the Genesee Yearly Meeting (General Conference) and Canada Yearly Meeting (Conservative) of the Society of Friends will hold their Yearly Meeting at Pickering College over the weekend. The three meetings gather annually at the college.

Among the guest speakers this year will be Dr. Edwin V. Abbott, formerly a member of the Friends Ambulance Unit in China and now appointed with his wife, Dr. Vivian Abbott, to the technical assistance program of the American Friends Service Committee in India, who will give the missionary address.

The Sunderland P. Gardiner Lecture will be given by Joseph Karsner, vice-chairman of the Friends peace committee of the Philadelphia Yearly Meetings. R. Ernest Lamb will give the evening address on Monday. He is director of the building fund sponsored by the men's extension movement.

The sessions will last four days, Friday to Tuesday.

MRS. LAURA ROLLING, CORRESPONDENT, PHONE KING 8

At a meeting called by King Community Association to which the public was invited, held in the rooms of Lake Marie and King Athletic Association on Monday night and chaired by Mrs. A. E. Jarvis, a resolution was approved that "the original site of a proposed community hall be retained in King Memorial Park, and that negotiations with Mr. C. C. Crossley, regarding a site on the Crossley land, adjacent to the park, be dropped."

The original site was donated by the athletic organization, owners of the park, when the K.C.A. was first formed.

The meeting was called to obtain expressions of opinion on the matter of a site and the type of hall needed in the community. After a lengthy discussion, a resolution which had been passed by the Lake Marie Assoc. on June 16, was read by M. H. Bell, stating that "this association (athletic) strictly adheres to the site granted for the proposed hall and that no financial assistance be given for any other site than in the park and on the site agreed upon."

Also supporting the original site was a motion from King Memorial Library Board, which considers the location more favorable for a hall which would provide for the library. This declaration was presented by Mrs. Gordon Wells, secretary of the library board. It was pointed out by George Brown, athletic president, and confirmed by others, that the park site can be adequately drained.

After the types of hall were discussed, it was agreed that this matter be left to the K.C.A. committee. It was generally felt that the annual cost of maintenance should be a determining factor in choice of type of building.

The Lions club needs a suitable place for dinner meetings. The scouts and cubs need a place where "they can kick up their heels" and the Legion requires accommodation for zone gatherings. Each organization and the community as a whole has specific use for the building, said George Harvey, scoutmaster. "Representatives of various groups can bring in a report what his organization requires, thus the public can be reached through individuals," declared Mr. Harvey.

It was also agreed that the "handling of a questionnaire to reach householders be left to the president, and the secretary of the K.C.A., and that the offer of Mr. Dalton Caswell of Sundridge, and reeve of his municipality, to speak here about the hall built by Sundridge, be referred to the chairman and secretary of the K.C.A.

A meeting of the King Community Association will be held on Monday night, July 7, in Lake Marie hall, at 9 p.m.

## 25th Re-union of Clan

The Campbell clan celebrated its silver anniversary re-union on Saturday, June 21, at the farm of George Jackson, Vaughan township, when 180 descendants of Dougall and Catherine Campbell, who came from Argyleshire, Scotland, to settle in Vaughan township, were present. There was a huge birthday cake, decorated with the Scotch thistle and heather, cut by Mrs. Bertie Jackson of Toronto, oldest member of the clan, who came with her seven children and her grandchildren to celebrate the occasion.

The Campbell sisters, daughters of Mr. and Mrs. Earl Campbell of Kinghorn, and the girls' cousin, Shirley McLean, sang "The Campbell Clan". The lyrics were composed by Clara Campbell and sung to the tune "Mocking Bird Hill".

According to historical records, Campbells are descendants of the Duke of Argyle and came from Greece to Scotland in the 11th century.

At the 1945 re-union, a cairn was erected in the Presbyterian cemetery at Maple to mark the resting place of the Campbell ancestors. It was unveiled to reveal the original headstone inscribed in the face of it with a short history on the reserve side. When the clan met 25 years ago, Roy Richards, son of Mr. and Mrs. Jesse Richards of King, was the youngest member present.

Those attending from the King district were Mr. and Mrs. Earl Campbell and family, Mr. and Mrs. Aubrey Campbell, Mr. and Mrs. Jesse Richards, Mrs. Burwell Jackson and son Jerry. At a meeting of King Library board, held at the home of the chairman, Mr. John Grew, on June 18, it was decided to grant \$10 to King Community Assoc. as the board's share in building up a small fund to pay for immediate expenses incurred in arranging plans for a proposed community hall. The board also confirmed approval of the site for the hall in Memorial Park. A work committee arranged to take the library books, stored in Lake Marie hall, to the home of Mrs. Rock. It did so on Monday evening, finding more work than expected as the books had to be salvaged from the litter of rubbish, that irresponsible persons had left in the hall after Saturday's "breaking and entering".

Fourteen girls of the Brownie Pack took their first hike last Saturday afternoon to Jarvacs where Mrs. Jarvis gave them permission to eat their lunch in a small cottage on the premises. It was a postponed outing. They enjoyed walking near the river and everything went well with the little girls, led by Brown Owl Marian Laid and Tawny Owl Faye Armstrong, who carry a first aid kit with them. The last meeting of the pack this season is June 28. Miss Faye Armstrong and her friend, Miss Shirley Graham, Toronto, spent the recent holiday weekend in Buffalo where they stayed at the Hotel Statler and had "breakfast in bed". The girls did a great deal of shopping, went to a show and saw Crystal Beach.

## St. Andrew's Auxiliary

Mark 60th Anniversary

The 60th anniversary celebration of St. Andrew's Auxiliary of the Presbyterian Women's Missionary Society at St. Andrew's Church on Wednesday, June 11, was an impressive service at the Stone Kirk, when 150 met to pay tribute to the founders.

Decorated with lovely garden flowers, the scene was one of happy fellowship as old friends were reunited. The charter members, Mrs. Robert Port, Mrs. Jas. McCallum, Miss Elizabeth Egan, Mrs. James Cameron of Weston and Miss Bessie MacMurphy of Toronto were congratulated. Mrs. Wm. Boys of Laskay, also an original member, was unable to be present.

Presiding was the president, Mrs. Charles Black. Mrs. H. V. Pickell read the 15th chapter of St. John's gospel and the prayer of remembrance was offered by Rev. M. E. Burch, minister of Mimico Presbyterian church and pastor of the King charge, 1937-41. Mrs. Rhoda Farren, first vice-president and secretary, gave the address of welcome. "If those who founded this society would see the great gathering assembled today, their hearts would be filled with gratitude that their inspiration has challenged others to carry forward their work," Mrs. Farren declared, as she called the roll, responded to by visiting groups from Woodbridge, Richmond Hill, Maple, Eversley, Bess, St. Paul's Presbyterian churches and the W.M.S. of Laskay United church.

Extending greeting from the Presbyterian, Mrs. T. L. Williams introduced Mrs. A. S. Curr, president of Toronto West Presbyterian, the guest speaker. "Glorious success is written across your history, but you must look to the present and the future," she told St. Andrew's society. "Today is ours, let us live it. It is not what you have done, nor what you are going to do, but what you are doing today, that determines the fruits of your efforts."

Miss MacMurphy told of being met at King railway station by Rev. Dr. Carmichael with his phaeton and pony to attend the first meeting of the W.M.S. in 1892. She had vivid recollections of his personality and ministry. As a member of the council executive, she brought greetings from that body, and her personal congratulations as a descendant of the MacMurphys who had first settled in the nearby district and who are buried in St. Andrew's churchyard cemetery.

Miss MacMurphy was a young woman when she came with Mrs. W. B. McMurrich from Toronto and the tractor's fire extinguisher quelled the blaze at the home of Alfred Gillham, Strange, last Friday afternoon, when water failed to do the job. The back kitchen and garage were being jacked up so that asphalt roofing could be put on. The tractor, used to haul stones, apparently backfired, causing a spark to light on the tinder-dry roof of the kitchen. A fire started burning a hole ten feet square. Ed. Etheridge, 14, saw the flames and put up a ladder. They bated water from the cistern as the fire crept up to the ridge pole, but the water seemed to be of little help. Mr. Gillham used the fire extinguisher from the tractor to put out the blaze and the last drop of chemical finished the job.

Summoned to the scene of what might have been a disastrous fire, the Aurora fire department went to Lewis Gillham's place farther north on the sixth concession and arrived when the fire was out. Legion Carnival

King Memorial Park was crowded with adults and children for the annual carnival and dance sponsored by King Legion and the Legion Ladies' Auxiliary on June 18. Fine weather brought 602 paid admissions, with 150 children admitted free. As usual the bingo and dance were well patronized.

The ladies sold soft drinks, hot dogs, pie and ice cream, and looked after the fish pond. Sale of their draw tickets turned out well. More than \$300 profit was made on the total sale of tickets on the coffee table and \$20 on the doll.

Stands operated by the men were dart booth, cigarette throw, wheel games, pop gun, chuck-a-luck. The Lake Marie Assoc. booth, under Mrs. Geo. Brown, did very well on sale of draw tickets for July 16. Sharp shooting prizes went to George Marwood, Maple, with 90 points, and John Bronby, King, 75 points; Bert Archibald, King City, 55 points, won a pen and pencil set. A lucky number prize went to Bert Archibald, King.

Gate prizes drawn by Mrs. Arthur Fleet went to Len Murray, Woodbridge, 5-gallon drum motor oil; Elias Bice, King City, electric clock; Reginald Lipsett, Lloydtown, Dutch doll; Marie Armstrong, Schomberg, key case.

Mr. Donald H. Rawlings has completed his first-year honor course in social and philosophical studies at Wycliffe College, Toronto. He has also passed his grade 5 counterpoint and history with honors at the Royal Conservatory of Music where he studies with Mr. George Coult. Near Disastrous Fire

# Urging Extra Care

## ON THE WEEK-END!

Holiday week-ends are periods of extra hazard and added congestion on the highway. These conditions will continue to result in accidents unless offset by patience, forethought and alertness on the part of all highway users.

Thousands of visiting tourists and children on vacation add to already crowded highways. The need for extra care is obvious. A traffic death is a needless death.

You risk your life when you drive too fast for conditions—fail to stay in your own traffic lane—or fail to obey signs and regulations designed for your protection—or, when on foot, you fail to take necessary precautions.

Enjoy your week-end. Make it safe—one you will remember, happily.
